**Website Optimization** Andrew B. King, 2008-07-08 Remember when an optimized website was one that merely didn t take all day to appear Times have changed Today website optimization can spell the difference between enterprise success and failure and it takes a lot more know how to achieve success This book is a comprehensive guide to the tips techniques secrets standards and methods of website optimization From increasing site traffic to maximizing leads from revving up responsiveness to increasing navigability from prospect retention to closing more sales the world of 21st century website optimization is explored exemplified and explained Website Optimization combines the disciplines of online marketing and site performance tuning to

attain the competitive advantage necessary on today's Web. You'll learn how to improve your online marketing with effective paid and natural search engine visibility strategies, strengthened lead creation and conversion to sales methods, and gold standard ad copywriting guidelines. Plus, your increased site speed, reduced download footprint, improved reliability, and improved navigability will work synergistically with those marketing methods to optimize your site's total effectiveness. In this book for business and IT managers, author Andrew King, president of Website Optimization LLC, has assembled experts in several key specialties to teach you Search engine optimization, addressing best and worst practices to improve search engine visibility, including step-by-step keyword optimization guidelines, category and tag cloud creation, and guerilla PR techniques to boost inbound links and improve rankings. Pay per click optimization, including ad copywriting guidelines, setting profit-driven goals, calculating and optimizing bids, landing page optimization, and campaign management tips. Optimizing conversion rates, increasing leads with site landing page guidelines, such as benefit-oriented copy, credibility-based design, value hierarchies, and tips on creating unique selling propositions and slogans. Web performance tuning, optimizing ways to use XHTML, CSS, and Ajax to increase speed, reduce your download footprint, and increase reliability. Advanced tuning, including client-side techniques, such as on-demand content, progressive enhancement, and inline images to save HTTP requests. Plus, server-side tips include improving parallelism, using cache control, browser sniffing, HTTP compression, and URL rewriting to remap links and preserve traffic. Web metrics, illustrating the best metrics and tools to gather details about visitors and measure web conversion and success rates. Covering both search marketing metrics and web performance measures, including Pathloss and waterfall graphs. Website Optimization not only provides you with a strategy for success, it also offers specific techniques for you and your staff to follow. A profitable website needs to be well designed, current, highly responsive, and optimally persuasive if you're to attract prospects, convert them to buyers, and get them to come back for more. This book describes precisely what you need to accomplish to achieve all of those goals. *The Guide*, 2005-02

**From the Great Wall to Wall Street** Wei Yen, 2016-11-09 Wei Yen explores how differences in world views between Eastern and Western thought and culture have on management and leadership behaviors. In *The Geography of Thought*, Richard Nisbett showed how the thought and culture of the East is rooted in Chinese Confucian ideals, while that of the West goes back to the early Greeks. In *From Great Wall to Wall Street*, Wei Yen explores how these differences impact today's leadership and management practices. He delves deeply into the two cultures and their philosophical roots and explains why there can exist significant misunderstandings between the two camps. Yen was born in China, raised in Hong Kong, educated both there and in the US, and then spent half his working life in the US and half in Asia. From his vantage point straddling both cultures, he compares and contrasts the pragmatic, wholistic Chinese or Asian management style with the rational and analytical Western management style. He shows their pros and cons, the areas where they differ, and situations where one may be more successful than the other. Yen argues that understanding traditional Chinese culture and how it affects management

behaviors and current events can help decision makers make better decisions in business finance and politics He further combines culture with credit analysis to argue that it is unlikely that China will suffer a financial collapse despite a slowing economy and high debt levels Equally he shows how that same philosophical traditions also lie behind China s inability to innovate or project the soft power that the West s globally successful popular culture has achieved How can the West take advantage of China s epic rise to strike win win outcomes How can the Chinese be more integrated into the global community and become a better global citizen in the future How can policy makers make more realistic policies None of these can be accomplished without first understanding where each other is coming from

**The Rough Guide to Florida** Rough Guides,2009-08-03 The Rough Guide to Florida is the ultimate travel guide with clear maps and detailed coverage of all the best attractions Florida has to offer Discover the dynamic regions of Florida from the countless theme parks of Disney World EPCOT Universal Studios and SeaWorld to the canals and beaches of Fort Lauderdale Art deco sites of South Beach and Florida s expanding Downtown region Packed with practical advice on what to see and do in Florida this guide provides reliable up to date descriptions of the best hotels in Florida recommended restaurants and bars in Florida with detailed coverage on a full range of attractions from day trips to Dry Tortugas Islands to discovering the historic Stranahan House You ll find expert tips on exploring Florida s amazing fishing and boating activities golf and adventure sports Florida s sensational art galleries and museums all within walking distance of each other including the Kennedy Space Centre as well as cultural attractions shopping and entertainment for all budgets Navigate all corners of Florida with the clearest maps of any guide Make the most of your holiday with The Rough Guide to Florida
