**Why Side Hustle Build Skills Build Security Build Income Build Freedom My Story** After college I did what you're supposed to do. I got a job. The problem was almost immediately I found myself looking for a way out. It wasn't that I hated the work or my coworkers but it just wasn't what I wanted to do with my life. The thought of spending my next 30 years there was terrifying. So evenings and weekends I turned my attention online. I'd been dabbling with building rudimentary websites, learning online advertising channels and even running my own small marketing campaigns for other company's products to test the waters. And that's what The Side Hustle Path is about: finding a low risk way to make more money. If you're looking for a get rich quick scheme or the secret to overnight success you won't find it here. But what you will find are 10 down to earth entrepreneurs who were once sitting in your same position. They felt the same fears and uncertainties but took action anyway. What are you waiting for?
