Antisemitism on Social Media Monika Hübscher, Sabine von Mering, 2022-03-22 Antisemitism on Social Media is a book for all who want to understand this phenomenon. Researchers interested in the matter will find innovative methodologies CrowdTangle or Voyant Tools mixed with discourse analysis and new concepts tertiary antisemitism antisemitic escalation that should become standard in research on antisemitism on social media. It is also an invitation to students and up and coming and established scholars to study this phenomenon further. This interdisciplinary volume addresses how social media with its technology and business model has revolutionized the dissemination of antisemitism and how this impacts not only victims of antisemitic hate speech but also society at large. The book gives insight into case studies on different platforms such as Twitter, Facebook, TikTok, YouTube and Telegram. It also demonstrates how social media is weaponized through the dissemination of antisemitic content by political actors from the right, the left and the extreme fringe and critically assesses existing counter strategies. People working for social media companies, policy makers, practitioners and journalists will benefit from the questions raised, the findings and the recommendations. Educators who teach courses on antisemitism, hate speech, extremism, conspiracies and Holocaust denial but also those who teach future leaders in computer technology will find this volume an important resource.

Competing without Fighting Seth G. Jones, Emily Harding, Catrina Doxsee, Jake Harrington, Riley McCabe, 2023-09-11 China is conducting an unprecedented campaign below the threshold of armed conflict to expand the influence of the Chinese Communist Party and weaken the United States and its partners. The scale of China's actions in the United States is unparalleled. This CSIS report offers one of the most comprehensive analyses to date of Chinese political warfare activities and examines China's main actions, primary goals and options for the United States and its partners.

Day Trading Attention Gary Vaynerchuk, 2024-05-21 New York Times and USA Today Bestseller. One thing I've learned being around Gary for the last decade is that when he sees new consumer trends or new best practices in marketing, people should listen and act on them. Michael Rubin, CEO of Fanatics. In his seventh business book, bestselling author, entrepreneur and investor Gary Vaynerchuk offers fresh, in-depth advice to enhance brand development, grow sales and beat the competition using modern advertising strategies grounded in social media. In his 2013 bestseller, *Jab Jab Jab Right Hook*, Gary Vaynerchuk showed the world how to create winning content for underpriced attention channels. But since then, new platforms have emerged, others have become less relevant, and algorithms are incentivizing new styles of content. New skills are necessary to create advertising that builds brand and sales. In his latest book, Vaynerchuk argues that today's fast-growing businesses, brands, content creators and influencers have one thing in common: They mastered storytelling in areas of underpriced attention, which predominantly exists across a handful of social media platforms. Informed by 20 years of business and marketing success, he contends that the biggest transformation and opportunity is the TikTokification of Social

Media Increasingly platforms are distributing content based on what users are interested in rather than who they follow In Day Trading Attention Gary offers detailed advice on how small businesses large corporations and creators can Understand attention what it is where it is where it s underpriced and how to leverage it Produce relevant strategic content Use modern advertising platforms to build brand and grow sales in today s rapidly changing environment *Management* Angelo Kinicki,Denise Breaux Soignet,2002 *Florida State University Law Review* Florida State University. College of Law,2012
