The Work of Preaching Arthur S. Hoyt, 2015-07-08 Excerpt from *The Work of Preaching A Book for the Class Room and Study* The perpetual function and interest of preaching must be the justification for the appearance of a new book in a field already so well filled No book of the past however helpful can wholly meet the need of a calling that grows in difficulty and importance with every age Preaching must be a living voice like any other form of public speech it must be sensitive to the life of the age The active practical spirit of the age the scientific temper seeking for deeper realities have made men impatient of the stately and formal correctness of the older sermon and critical of any fixed form of the schools asking for directness and helpfulness and above all the personal note in preaching The Homiletics in use in the schools is largely the expression of the past much of it perennial as the laws of thought and speech and much outgrown in the changing life of men About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Lectures on Homiletics and Preaching and on Public Prayer; Together with Sermons and Letters ...
