**How to... Marketing for Small Business** Nicolae Sfetcu, 2014-07-08 With more than a billion of users worldwide and a big growth rate in the number of users per month, marketing on the Internet is much easier than the traditional methods. Taking into account that a typical marketing campaign causes a response rate of at least 2%, theoretically gives a huge number of answers on the Internet. What do you expect from Internet Marketing? If you have the patience to deepen understanding of your products and services and you will design and implement a detailed and valid marketing plan, you can relatively easily achieve any goal you propose. Perhaps this will not bring immediate material gain, but you will easily notice that you have already created a reputation among clients and competitors and have been known. Your offers at a price much lower than the classic approaches. In short, you have to give valuable information in an attractive framework, change its content as often as possible, spread them using the many resources offered by the Internet, and use them in such a way as to facilitate client activity, being sure that you are on your way to SUCCESS.
