*Mastering Small Stakes Cash Games* Evan Jarvis, 2022-02-02 Mastering Small Stakes Cash Games is a book where the key word is mastering. The author Evan Jarvis is a professional poker player and highly respected poker coach. He takes a slightly different approach to that used by most poker coaches. The absolute fundamental as always is to help players master cash game play but Jarvis takes a holistic approach recognising that being able to master people and master yourself are equally important in order to achieve poker success. In order to succeed in cash play it is essential to have a rock solid pre flop and post flop game plan. However there are other factors to successful play e.g. game selection, seat selection, buy in level etc. that are often neglected. These can be equally important and are all addressed. Do you want to Make a good side income from your hobby. Feel confident and in control when you play. Be satisfied with your performance at the end of every session regardless of the outcome. Mastering Small Stakes Cash Games will help you achieve these aims and much more besides.

*5 Conversations You Must Have with Your Daughter, Revised and Expanded Edition* Vicki Courtney, 2019-03-01 From the cradle to college tell your daughters the truth about life before they believe the culture's lies. For mothers with girls newborn to eighteen. Five Conversations You Must Have with Your Daughter is simply a must have book. Youth culture commentator Vicki Courtney helps moms pinpoint and prepare the discussions that should be ongoing in their daughters formative years. To fully address the dynamic social and spiritual issues and influencers at hand several chapters are written for each of the conversations which are 1. Don't let the culture define you, 2. Guard your heart, 3. Have a little sex respect, 4. Childhood is only for a season, 5. You are who you've been becoming. The book also includes questions at the end of each conversation to help facilitate individual or group study.

*Why We Do What We Do* Dr Helena Boschi, 2020-06-30 Practical tools and tips to lead a healthy and productive life. The brain is the basis of everything we do, how we behave, communicate, feel, remember, pay attention, create, influence and decide. Why We Do What We Do combines scientific research with concrete examples and illustrative stories to clarify the complex mechanisms of the human brain. It offers valuable insights into how our brain works every day at home and at work and provides practical ideas and tips to help us lead happy, healthy and productive lives. Learn about how your brain functions. Find out how emotions can be overcome or last a lifetime. Access your brain's natural ability to focus and concentrate. Think creatively. The thoughts you have and the words that you speak all have an effect on your neural architecture and this book explains what that means in a way you can understand.
