Superstition Pirates Ghosts And Folklore Of Bocas Del Toro Panama:

The Jolly Roger Social Club Nick Foster, 2016-07-12 In the remote Bocas del Toro Panama William Dathan Holbert aka Wild Bill is awaiting trial for the murder of five fellow American ex patriots Holbert s first victims were the Brown family who lived on a remote island in the area s Darklands There Holbert turned their home into the Jolly Roger Social Club using drink and drug fueled parties to get to know other ex pats But this is not just a book about what Holbert did and the complex financial and real estate motives behind the killings it is about why Bocas del Toro turned out to be his perfect hunting ground and why the community tolerated even accepted him for a time

Pirates, Ghosts, and Coastal Lore Charles Harry Whedbee, 2004 From the late author of *Legends of the Outer Banks* and *The Flaming Ship of Ocracoke and Other Tales of the Outer Banks* comes a collection of legends from the broad bays sounds and estuaries that make up tidewater Tarheelia

Pirates, Ghosts, & Coastal Lore: The Best of Judge Whedbee Charles Harry Whedbee, 2004 In 1963 Judge Charles Whedbee was asked to substitute on a morning show called Carolina Today on Greenville North Carolina s television station while one of the program s regulars was in the hospital Whedbee took the opportunity to tell some of the Outer Banks stories he d heard during his many summers at Nags Head The station received such a volume of mail in praise of his tale telling that he was invited to remain even after the man he was substituting for returned to the air He had a way of telling a story that really captured me said one of the program s co hosts Whether he was talking about a sunset a ghost or a shipwreck I was there living every minute of it Word traveled as far as Winston Salem where John F Blair proposed to Whedbee that he compile his stories in book form Whedbee welcomed the challenge though his expectations for the manuscript that became *Legends of the Outer Banks* and *Tar Heel Tidewater* were modest I wrote it out of a love for this region and the people whom I d known all my life he said I didn t think it would sell a hundred copies From the very first sentence of the foreword Whedbee stamped the collection with his inimitable style You are handed herewith a small pod or school of legends about various portions of that magical region known as the Outer Banks of North Carolina as well as stories from other sections of the broad bays sounds and estuaries that make up tidewater Tarheelia The Lost Colony Indians Blackbeard an albino porpoise that guided ships into harbor the tales in that volume form the core of Outer Banks folklore Whedbee liked to tell people that his stories were of three kinds those he knew to be true those he believed to be true and those he fabricated But despite much prodding he never revealed which were which *Legends of the Outer Banks* went through three printings in 1966 its first year Demand for Whedbee s tales and the author s supply of good material were such that further volumes were inevitable *The Flaming Ship of Ocracoke* *Other Tales of the Outer Banks* was published in 1971 *Outer Banks Mysteries* *Seaside Stories* in 1978 *Outer Banks Tales to Remember* in 1985 and *Blackbeard s Cup and Stories of the Outer Banks* in 1989 Although Judge Whedbee died in 1990 his legacy lives on through his folklore And so it was fitting that in 2004 the 50th anniversary of John F Blair Publisher that the company should release this volume of the 13 stories that

the Blair staff felt were the best of Charles Harry Whedbee *The Ghost Pirates* William Hope Hodgson,2021-08-12 He began without any circumlocution I joined the *Mortzestus* in Frisco I heard before I signed on that there were some funny yarns floating round about her but I was pretty nearly on the beach and too jolly anxious to get away to worry about trifles Besides by all accounts she was right enough so far as grub and treatment went When I asked fellows to give it a name they generally could not All they could tell me was that she was unlucky and made thundering long passages and had no more than a fair share of dirty weather Also that she had twice had the sticks blown out of her and her cargo shifted Besides all these a heap of other things that might happen to any packet and would not be comfortable to run into Still they were the ordinary things and I was willing enough to risk them to get home All the same if I had been given the chance I should have shipped in some other vessel as a matter of preference The *Ghost Pirates* is a novel presented as the transcribed testimony of Jessop who we ultimately discover is the only survivor of the final voyage of the *Mortzestus* having been rescued from drowning by the crew of the passing *Sangier* Hodgson never describes the ghosts if this is indeed what they are since their true nature is left ambiguous in any remarkable detail he merely reports of their gradual commandeering of the ship and was originally published in 1909 **The Ghost Pirates** William Hope Hodgson,2015-12-17 The captivating tale of the ship *Mortzestus* an unlucky vessel haunted by too many shadows The unifying theme seems to be the dreadful forces that lurk just beneath the veneer of what we in immense folly believe to be reality Malign forces may surface at any moment to drag us to destruction or worse Notice This Book is published by Historical Books Limited [www publicdomain org uk](http://www.publicdomain.org.uk) as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to [publications publicdomain org uk](mailto:publications@publicdomain.org.uk) This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA [publicdomain org uk](http://publicdomain.org.uk) *The Ghost Pirates* William Hope Hodgson,2010-01 *The Ghost Pirates* William Hope Hodgson,2015-08-03 The *Ghost Pirates* **Pirates and Ghosts of the Carolinas' Coast** Cynthia Moore Brown,2015-02-28 21 tales of pirates and ghosts from along the North Carolina coast Haunted houses graveyards and other favorite places are are featured Some stories told for the first time and involving people who really lived **Ghost Pirates** Tom McCarthy,2007 Haunted ships and ghoulish pirates abound in this thrilling collection of some of the most exciting stories ever written Ghost pirates swashbuckle in and out of scenes stealing the souls of the doomed and frightening the innocent **The Ghost Pirates Illustrated** William Hope Hodgson,2020-10-23 The novel is presented as the transcribed testimony of Jessop who we ultimately discover is the only survivor of the final voyage of the *Mortzestus* having been rescued from drowning by the crew of the passing *Sangier* It begins with Jessop s recounting how he came to be aboard the ill fated *Mortzestus* and the rumors surrounding the vessel Jessop then begins to recount the unusual events that rapidly increase in both frequency and severity In the telling of his tale Jessop offers only sparse interpretation of the events spending most of the time relating the story in an almost journalistic fashion presenting a

relatively unvarnished description of the events and conversations as they occurred He describes his confusion and uncertainty about what he believes he has seen at times fearing for his own sanity He eventually hears other members of the crew speak of strange events most of which the rest of the crew pass off as either bad luck or the result of the witness being either tired or dotty Jessop only offers brief personal interpretation he states that while he cannot discount the idea that the beings plaguing the ship may be ghosts he presents his theory that they may be beings from another dimension that while sharing the same physical space as theirs are normally completely separated to the extent that neither dimension is aware of the existence of the other He offers only vague superficial suggestions as to the cause of his theorized dimensional breach

The Ghost Pirates William Hope Hodgson, Darrell Schweitzer, 2005 The Ghost Pirates is a powerful account of a doomed and haunted ship on its last voyage and of the terrible sea devils of quasi human aspect and perhaps the spirits of bygone buccaneers that besiege it and finally drag it down to an unknown fate With its command of maritime knowledge and its clever selection of hints and incidents suggestive of latent horrors in nature this book at times reaches enviable peaks of power H P Lovecraft **Pirate Ghosts and Phantom Ships** Thomas D'Agostino, 2007-11 Ghosts of pirates centuries dead still roam New England's coast and the towns they terrorized in life Great ships rise from the bottom of the sea eternally searching for home shores Read the stories of Captain Kid Blackbeard Anne Bonney Black Bellamy and other burley buccaneers who haunt the land and seas looking for lost treasures and fortunes plundered in lust nLearn about Goat Island where wraiths of hanged pirates rise up seeking vengeance for their untimely deaths You can almost hear the oars of the phantom dory that patrols the Isles of Shoals in search of its next victim Tales present ghostly ladies who mourn the passing of some of the most ruthless characters history can name nHere you can sail with pirates on thirty eight eerie adventures you will never forget [The Ghost Pirates - Large Print](#) William Hope Hodgson, 2020-10-17 The Ghost Pirates is a powerful account of a doomed and haunted ship on its last voyage and of the terrible sea devils of quasi human aspect and perhaps the spirits of bygone buccaneers that besiege it and finally drag it down to an unknown fate With its command of maritime knowledge and its clever selection of hints and incidents suggestive of latent horrors in nature this book at times reaches enviable peaks of power
