Jacob, 1997 The Book Provides Fresh Insights Into The 1971 War The Nearly 100 Pages Of Appendices Which Make For One Third Of The Book Are A Goldmine Of Classified Information But The Great Virtue Of The Book Is The Personality And Capability Profile Of Military Commanders Who Fought The War

**Surrender at Dacca** Jack F.R. Jacob, 1997 *The Sinking of INS Khukri: Survivor's Stories* Major General Ian Cardozo, 2006-12-01 9 December 1971 8 45 p m Torpedoed by a Pakistani submarine the INS Khukri sank within minutes Along with the ship 178 sailors and 18 officers made the supreme sacrifice Last seen calmly puffing on his cigarette Captain Mahendra Nath Mulla captain of the Khukri chose to go down with his ship This defining moment of the 1971 war between India and Pakistan is the basis of Major General Ian Cardozo s attempt to understand what happened that day and why Major General Cardozo brings fresh insight into the hellish ordeal by including the heartfelt accounts of the survivors and of the members of their families These accounts transform the stereotypical understanding of the incident they also supplement it We glimpse fear trauma and death at first hand In the annals of war writing General Cardozo humanizes this cataclysmic event as never before *Recounting the Memories of Bangladesh's Liberation War* Smruti S. Pattanaik, 2024-02-08 This book encapsulates the creation of Bangladesh with stories of some of those who made it happen from the perspectives of people who fought for recognition of Bangla as one of the state languages of Pakistan those who brought the stories of war to life as it progressed through the Swadhin Bangla Betar Kendro operations by valiant military men sacrifices of Birangonas women of valour whose contribution to the liberation of Bangladesh has often been neglected martyrs who laid down their lives for the birth of the nation and those who worked among the freedom fighters and refugees and kept their morale high The emergence of Bangladesh in 1971 shaped both the nation and its narratives that revolved around partition of the subcontinent earlier in 1947 The history of Bangladesh was rewritten from the people s perspective The struggle of individuals and families who contributed to the liberation of Bangladesh is etched in blood and it is but natural that their perspectives would inform those interested in studying the history of liberation in a larger context More than fifty years have passed since Bangladesh was liberated Yet stories of individual suffering sacrifices and contributions illustrate how people endured the repression inflicted by the Pakistan Army on them and yet fought gallantly Three million were killed 2 million were raped and 10 million became refugees in India Bangladesh s liberation war also represents the struggle of a people to preserve their culture and identity This book captures all these and much more bringing in reminiscences of what 1971 represented to those who contributed directly to the war of liberation The book will be of interest to scholars and researchers of politics and international relations partition studies South Asian studies and refugee and diaspora studies The chapters in this book were originally published in Strategic Analysis **Gambling with Violence** Yelena Biberman, 2019-06-04 In *Gambling with Violence* Yelena Biberman tackles a global problem that is particularly consequential for Pakistan and India

state outsourcing of violence to ordinary civilians criminals and ex insurgents Why would these countries gamble with their own national security by outsourcing violence arming nonstate actors inside their own borders Drawing on over 200 interviews archival research and fieldwork conducted across Asia Europe and North America Biberman introduces the balance of interests thesis to deepen our understanding of state nonstate alliances in civil war This framework centers on the distribution of power during war and shows how various combinations of interests result in distinct types of coalitions Incorporating case studies of civil war and counterinsurgency her book sheds light on how militias alliances and South Asian security connect today *Empire's First Soldiers* D.P.
