How to Be an Atheist (Foreword by J. P. Moreland) Mitch Stokes, 2016-02-12 Atheists love to challenge the beliefs of Christians emphasizing the importance of skepticism for all truly free thinking people However more often than not atheists actually aren t skeptical enough In this book philosopher Mitch Stokes demonstrates that atheists confidence in the supposed God killing facts of science math and their own reason all too often lulls them into a mind set that leaves their own worldview

largely unquestioned Making the case for a more complete skepticism that questions the assumptions of Christians and non Christians this book winsomely shows how Christianity offers the best explanation for the world humanity and morality

Beating the Flu J. E. Williams, 2006-07-05 Strong medicine Dr Williams offers real world options in the realm of natural and food based therapies Ron Klatz MD DO President of the American Academy of Anti Aging Medicine and author of Infection Protection Be Prepared to Beat the Flu Every year 36 000 Americans die of the flu and one million die worldwide The possibility of a super flu pandemic is frightening If no one has immunity it could cover the globe in 250 days and conceivably infect twenty percent or more of the world s population of 6 6 billion The 1918 Spanish flu killed 675 000 Americans and at least fifty million worldwide The death toll from the bird flu virus with a 50% kill rate in adults and a frightening 89% in children could reach an apocalyptic 360 million Worse yet without a vaccine or adequate supplies and without enough antiviral drugs modern medicine doesn t have a specific effective and safe treatment for the flu This nightmare scenario may not happen but if it does it s essential that individuals and families arm themselves with up to date information Dr J E Williams is an oriental and natural medicine expert who has used herbs and vitamins to treat influenza and other viruses for more than two decades In Beating the Flu he begins not by telling you how to treat the flu bug but how to avoid it altogether through a combination of good hygiene and super foods that offer the quick boosts your immune system needs to ward off the virus Should you get sick Dr Williams also offers a natural medicine cabinet of vitamins herbs and minerals that work best against any kind of flu along with the clinical evidence to back up the remedies New York State Journal of Medicine ,1910 Japanese Foods that Heal John Belleme, Jan Belleme, 2011-04-11 In Japan the old ways have prevailed well into the 21st century Small family run shops still make miso tofu shoyu tamari amazake and other traditional healing foods the same way they were made centuries ago Perched on ladders tamari makers gently stir fermenting brew in two hundred year old wood vessels that easily top ten feet Farmers cultivate shiitake and green tea and harvest sea vegetables according to the ancient natural ways These producers use the purest ingredients available and provide superior foods that promote and sustain health In Japanese Foods That Heal John and Jan Belleme introduce eighteen essential foods from Japan that are still cultivated and prepared using time honored methods and recipes These traditionally made healthy Japanese foods have been proven to cure and prevent degenerative disease and to prevent premature aging a fact the Japanese have known for centuries By stocking up on these healing Japanese foods your pantry will become a key element of your healthy lifestyle This healthy Japanese cookbook includes everything you need to know about these healthy and delicious foods from nutrition and medical facts to recipes and tips for creating wholesome and flavorful meals You will come to appreciate how each food was produced in years past how it can benefit your health and well being and how it is made today This collection of recipes shows you how rewarding it is to prepare simple nourishing meals that both promote good health and please the palate A pronunciation guide and food glossary demystify Japanese foods that at first may seem exotic
