Diary of a Breast Cancer Husband J. Scott Lyman, 2002 Diary of a Breast Cancer Husband is an extraordinarily intimate and brutally revealing chronicle of one man's personal and psychological journey with his wife down the path of breast cancer diagnosis and treatment Scott is a successful malpractice attorney His beautiful wife Suanne is his office administrator and business manager They live on top of a ravine overlooking the Pacific Ocean They have three sons the youngest still in high school Life has been good to Scott and Suanne Then breast cancer strikes Scott's reaction is one of consuming guilt and fear His fear is not just for his wife He also fears his own reaction to the possible changes he may face in his own life as a result of breast cancer His response is to immerse himself in the world of breast cancer and write about men and breast cancer and about men and breasts

The Breast Cancer Book of Strength and Courage Judie Panneton, Ernie Bodai, 2002 Presents over forty true short stories by breast cancer survivors showing the emotional and spiritual strengthening they underwent during their physical struggles

Dr. Susan Love's Breast Book Susan M. Love, 2000-09-20 The landscape of breast cancer has changed New non-invasive diagnostic techniques new knowledge about prevention new genetics new treatments new alternative and complementary resources are beginning to turn breast cancer into a chronic and perhaps preventable disease Dr Susan Love whose earlier work has won the trust of women all over this country and abroad has entirely revised her indispensable guide to reflect the very latest information Readers of Dr Susan Love's Breast Book will learn of the recent breakthroughs in genetic research of Dr Love's own work in developing a less invasive and highly accurate diagnostic technique of the latest studies into preventive

measures such as tamoxifen and dietary strategies and of promising outcomes from new treatments for metastatic cancer In the same warm supportive and often delightfully candid tone that has brought confidence to millions of women Dr Love helps each reader plan her own path through diagnosis treatment options and the changing world of HMO s and insurance She also offers sound advice about combining alternative self care with topnotch medical help *Straight from the Heart* Ina L. Yalof,1996 Comprised of nearly 100 actual letters from breast cancer survivors this work is a gift of life from women who have rediscovered their own lives Many have won the battle some are still fighting but all are determined to survive The contributors are women from all walks of life of different ages and at different stages of recovery Readings and author signings **After the Cure** Emily K. Abel,Saskia K. Subramanian,2010-08-30 From the book jacket Chemo Brain Fatigue Chronic Pain Insomnia Depression These are just a few of the ongoing debilitating symptoms that plague some breast cancer survivors long after their treatments have officially ended After The Cure is a compelling read filled with fascinating portraits of women who are living with the aftermath of breast cancer Having heard repeatedly that the problems are all in your head many don t know where to turn for help The doctors who now refuse to validate their symptoms are often the very ones they depended on to provide life saving treatments Sometimes family members who provided essential support through months of chemotherapy and radiation don t believe them Their work lives already disrupted by both cancer and its treatment are further undermined by the lingering symptoms And every symptom is a constant reminder of the trauma of diagnosis the ordeal of treatment and the specter of recurrence Most narratives about surviving breast cancer end with the conclusion of chemotherapy and radiation painting stereotypical portraits of triumphantly healthy survivors women who not only survive but emerge better and stronger than before After The Cure allows us to hear the voices of those who are silenced by the optimistic breast cancer culture women who live with a broad array of health problems long after therapy ends Here at last survivors step out of the shadows and speak compellingly about their real stories giving voice to the complicated often bittersweet realities of life after the cure *A Cup of Comfort for Breast Cancer Survivors* Colleen Sell,2008-08-17 If stories are medicine then this collection will help keep hopes up and spirits alive on the road to recovery Readers will applaud the bravery of 50 exceptional survivors as they tell their unique experiences with breast cancer Every breast cancer survivor has a different story but they all have one thing in common courage From dealing with diagnosis to undergoing chemotherapy facing hair loss and possibly the loss of a breast these fearless women undergo more than anyone ever should These stories pay tribute to these women and their battles and celebrate their victories In this stunning new collection readers will find compelling inspiring and uplifting personal essays about the experiences and emotions of living with and after breast cancer 50 of every copy will be donated to Susan G Komen for the Cure *Gracie's Story* Grace A. Wilson-thompson,2015-05-20 Brave Breast Cancer Survivor Reveals Her True Inspiring Story In A Personal Memoir Learn to Beat all the Odds and Never Give Up Hope Like Gracie Did Despite the fact that breast cancer has a better survival rate than many other forms of the

disease being diagnosed with it is utterly terrifying There are no guarantees for what lies ahead in the short or long term aside from the fact that it will be painful and difficult Gracie s Story Fighting to Survive Breast Cancer is the story of one woman s survival from the shock of diagnosis to the joy and relief of becoming a cancer survivor Living and Laughing through Treatment and Recovery Three cornerstones held Gracie up through her experience of diagnosis a double mastectomy reconstructive surgery chemotherapy and radiation treatments love support and a positive attitude For Gracie staying positive became part of staying alive She credits her ability to focus on things that brought happiness and laughter into her life with helping her come through cancer Gracie s Story Fighting to Survive Breast Cancer can offer hope encouragement and a sense of community to anyone who has been diagnosed with cancer and their friends and family The road ahead is so scary because it is unknown Walking along it with a positive and determined survivor can give strength and courage to those reeling from the shock of being diagnosed with cancer No two people experience this disease the same way but learning about how others have stayed positive through surgery and treatment makes the road ahead less frightening Support from loved ones is important but reading the words of someone else who has been through the diagnosis and treatment and come out the other side as a survivor offers a deep sense of hope and encouragement Gracie s Story Fighting to Survive Breast Cancer is not just optimistic get well wishes it is one woman s real life survival guide In other words it is an important read for anyone who has been recently diagnosed with cancer and those close to them

A Cancer Survivor's Almanac National Coalition for Cancer Survivorship (U.S.),1996 In addition an expanded Resource Section lists hundreds of organizations and agencies that offer help regarding specific cancer related issues and explains how to find cancer information through the Internet Cancer survivors and their caregivers families and friends share their greatest gifts to today s survivors the power of knowledge No cancer journey is easy This book however provides the information understanding support and resources to help dispel the myths and improve the quality of life with through and beyond cancer All royalties from the sales of this book benefit the National Coalition for Cancer Survivorship New Statesman ,2001 Not Just One in Eight Barbara Stevens,2000-10-01 The words you have breast cancer have the power to terrify a woman and the people who love her irrevocably changing their lives forever The underlying premise of Not Just One in Eight is that breast cancer like other life threatening diseases is not a one person disease It is above all a family disease one that tests the mettle of each family member Not Just One in Eight is the culmination of the author s five year odyssey to understand the physical and emotional ramifications of a breast cancer diagnosis from the moment of its pronouncement to how a woman and her family experience the disease Not Just One in Eight focuses on nineteen breast cancer survivors eighteen women and one man Each story chronicles one survivor and their support team By weaving together the survivor and the support team s perceptions the true picture is revealed in one coherent story How did each person handle the diagnosis What medical decisions were made How and why did they reach those decisions What fears did they confront Were relationships strengthened or

weakened How did children cope Did the fear of dying increase or decrease with time Each story ends with a postscript Where are they today Patricia A Ganz M D a renowned oncologist and researcher explains the latest breast cancer research Janis Raynak a malpractice attorney with an emphasis on breast cancer cases reveals how women can prevent a misdiagnosis and offers recourse if a misdiagnosis is made Lastly the survivor and her partner candidly discuss their views on sex and sexuality How did and how does a breast cancer diagnosis affect this very important part of our lives As a survivor and the daughter of a mother who had breast cancer Stevens provides a compassionate informative and provocative look at how a woman and her family can survive a breast cancer diagnosis **Comfort Heart** Carol Ann Cole,2001-09-01 A memoir by the woman known as the Comfort Heart Lady The story of the founder of the Comfort Heart Initiative is as inspiring as the power of the Comfort Hearts themselves Carol Ann Cole was born in Annapolis Valley Nova Scotia and at the age of 18 left to find a career in the big city of North Bay eventually landing a job at Bell Canada As she began to climb the ranks of the company in the early 1970s she realized the obstacles that faced a single woman in the corporate world especially a single mother But she continued to persevere and became one of the first female vice presidents of one of the country s biggest corporations And then her world came crashing down Within days both Carol Ann and her mother were diagnosed with breast cancer While Carol Ann was able to beat it the loss of her mother later that year had a monumental impact on her life When she walked into a pewter store and discovered the Worry Hearts small hearts that you would rub in times of stress she knew she d found the way to give back to the cancer community By altering the design and renaming them Comfort Hearts Carol Ann created the Comfort Heart Initiative and to date has raised over one million dollars for cancer research That little piece of pewter has become a talisman for over 160 000 Canadians and their families This is a story of determination and courage and how you can accomplish all your goals if you put your mind and heart to it **Oncology Nursing Forum** ,1999
