Surviving Salvation The Ethiopian Jewish Family In Transition:

Surviving Salvation Dr. Ruth K. Westheimer, Steven B. Kaplan, 1992 Their mutual interest in the Ethiopian Jews as well as a series of unique circumstances led them to join forces to produce this engrossing and handsomely illustrated volume But this is not a book about the journey of the Ethiopian Jews rather it is a chronicle of their experiences once they reached their destination In Ethiopia they were united by a shared faith and a broad network of kinship ties that served as the foundation of their rural communal society They observed a form of religion based on the Bible that included customs such as the isolation of women during menstruation long abandoned by Jewish communities elsewhere in the world Suddenly transplanted they are becoming rapidly and aggressively assimilated Thrust from isolated villages without electricity or running water into the urban bustle of modern postindustrial society Ethiopian Jews have seen their family relationships radically transformed

Ethiopian Jewish Immigrants in Israel Tanya Schwarz, 2016-03-23 This is an ethnographic study of Ethiopian Jews or Beta Israel a few years after their migration from rural Ethiopia to urban Israel For the Beta Israel the most significant issue is not as is commonly assumed adaptation to modern society but rather belonging in their new homeland and the loss of control they are experiencing over their lives and those of their children Ethiopian Jewish immigrants resist those aspects of the dominant society which they dislike they reject normative Jewish practices and uphold Beta Israel religious and cultural ones ideologically counteract disparaging Israeli attitudes develop strong ethnic bonds and engage in overt forms of resistance The difficulties of the present are also overcome by creating a perfect past and an ideal future in what the author calls the homeland postponed all Jews will be united in a colour blind world of material plenty and purity

Jewish Studies at the Crossroads of Anthropology and History Ra'anan S. Boustan, Oren Kosansky, Marina Rustow, 2011-01-24 Over the past several decades the field of Jewish studies has expanded to encompass an unprecedented range of research topics historical periods geographic regions and analytical approaches Yet there have been few systematic efforts to trace these developments to consider their implications and to generate new concepts appropriate to a more inclusive view of Jewish culture and society Jewish Studies at the Crossroads of Anthropology and History brings together scholars in anthropology history religious studies comparative literature and other fields to chart new directions in Jewish studies across the disciplines This groundbreaking volume explores forms of Jewish experience that span the period from antiquity to the present and encompass a wide range of textual ritual spatial and visual materials The essays give full consideration to non written expressions of ritual performance artistic production spoken narrative and social experience through which Jewish life emerges More than simply contributing to an appreciation of Jewish diversity the contributors devote their attention to three key concepts authority diaspora and tradition that have long been central to the study of Jews and Judaism Moving beyond inherited approaches and conventional academic boundaries the volume reconsiders these core concepts reorienting our understanding of the dynamic relationships between text and practice and continuity and change in

Jewish contexts More broadly this volume furthers conversation across the disciplines by using Judaic studies to provoke inquiry into theoretical problems in a range of other areas *Grandparenthood* Dr. Ruth Westheimer, Dr. Steven Kaplan, 2020-11-25 This book provides a capsule description of what is known today about the particular aspect of grandparenting whether it's gift giving adoption travel or discipline It presents a picture of the current state of knowledge on grandparenting and the grandparent's place in the family **Immigration to Israel** Elazer Leshem, 2017-09-04 This eighth volume in the Studies of Israeli Society series presents a broad array of topics related to the sociology of immigration to Israel The focus is on immigration and migration during the 1980s and 1990s The chapters were selected from a list of approximately 450 articles on the subject by Israeli sociologists The book covers such issues as migrants in the occupational structure migration and health formal and informal mechanisms of integration ethnic identities and processes of integration and processes of migration and their implications Immigration to Israel opens with two papers written specifically for this volume The first is a theoretical historical chapter by the editors They discuss the role and contribution of Israeli sociologists to the ongoing literature of migration The second by Sergio DellaPergola provides a historical and comparative perspective of the underlying demographic characteristics of migration to Israel in the context of global Jewish migration processes Other chapters and contributors include New Entrepreneurs and Entrepreneurial Aspirations among Immigrants from the Former USSR in Israel by M Lerner and Y Hendeles New Immigrants as a Special Group in the Israeli Armed Forces by V Azarya and B Kimmerling Iranian Ethnicity in Israel by J L Goldstein Ethiopian Immigrants in Israel by S Kaplan and C Rosen The Attitudes of Israeli Youth Toward Inter ethnic and Intra ethnic Marriage by R Shachar and Jewish Immigrants from Israel in the United States by Z Eisenbach Immigration to Israel Sociological Perspectives concludes with a selected bibliography This volume contains a wealth of information and will be important to sociologists historians scholars of Israeli culture and ethnicity specialists The Ethiopian Jews of Israel Leonard Lyons, 2007 In 1977 there were about one hundred Ethiopian Jews in Israel now there are more than one hundred thousand Their exodus from their native land and their mass immigration to Israel is a unique historical event This book is the first one to recount in photographs and candid interviews the challenging and inspiring accomplishments of Ethiopian Jews struggling to become Ethiopian Israelis Featuring more than fifty men and women religious leaders soldiers lawyers students actors musicians a member of the Knesset and more this book reveals their personal stories A historical narrative that traces how some Ethiopians became Jewish and how they got to Israel Then in their own words they reveal how they experience Israel as a part of its most impoverished and culturally different minority Their dream is to become accepted and integrated without losing their own character identity and values They declare their devotion to their religious homeland and to overcoming the illiteracy unemployment crime and alienation that have plagued their community BOOK JACKET **Journal of Religion in Africa** ,2000 Jewish Musical Modernism, Old and New Philip V. Bohlman, 2008-11-15 Tackling the myriad issues raised by Sander Gilman's provocative opening salvo

Are Jews Musical this volume's distinguished contributors present a series of essays that trace the intersections of Jewish history and music from the late nineteenth century to the present. Covering the sacred and the secular the European and the non-European and all the arenas where these realms converge these essays recast the established history of Jewish culture and its influences on modernity. Mitchell Ash explores the relationship of Jewish scientists to modernist artists and musicians while Edwin Seroussi looks at the creation of Jewish sacred music in nineteenth-century Vienna. Discussing Jewish musicologists in Austria and Germany Pamela Potter details their contributions to the science of music as a modern phenomenon. Kay Kaufman Shelemay investigates European influence in the music of an Ethiopian Jewish community and Michael P. Steinberg traces the life and works of Charlotte Salomon whose paintings staged the destruction of the Holocaust. Bolstered by Philip V. Bohlman's wide-ranging introduction and epilogue and featuring lush color illustrations and a complementary CD of the period's music this volume is a lavish tribute to Jewish contributions to modernity.

From Tragedy to Triumph Mitchell G. Bard, 2002-06-30 Annotation From 1984 to 1991 Israel conducted a series of dramatic rescues bringing thousands of Ethiopian Jews to the state of Israel. As dramatic and uplifting as this effort was there are still troubling questions about why it took so many years for Israel to take action to save this ancient African branch of the Jewish Diaspora. This is the complete story behind the Israeli rescue of the Jews of Ethiopia how tragedy was turned into triumph.
