The Custer Myth A Source Of Custeriana:

The Custer Myth W. A. Graham, 2017-12-15 The Custer story began in controversy and in dispute because of Custer's death in a blaze of glory that became the setting for propaganda which caught and held and still holds the imagination of the American people What began in controversy and dispute has ended in Myth a myth built like other myths upon actual data and events magnified distorted and disproportioned by fiction invention imagination and speculation **The Custer Myth** William Alexander Graham, 1960 **The Custer Myth**, 1953 **The Custer Myth, a Source Book of Custeriana** William Alexander Graham, Fred Dustin, 1953 **The Custer Myth, a Source Book of Custeriana** William Alexander Graham, Fred Dustin, **Custer, the Seventh Cavalry, and the Little Big Horn** Mike O'Keefe, 2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn fascination with the battle and with Lieutenant George Armstrong Custer has never ceased Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time This two volume bibliography of Custer literature is the first to be published in some twenty five years and the most complete ever assembled Drawing on years of research Michael O Keefe has compiled entries for roughly 3 000 books and 7 000 articles and pamphlets Covering both nonfiction and fiction but not juvenile literature the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890 Included within this span are Custer's experiences in the Civil War and in Texas the 1873 Yellowstone and 1874 Black Hills expeditions the Great Sioux War of 1876-77 and the Seventh Cavalry's pursuit of the Nez Perces in 1877 The literature on Custer the Battle of the Little Big Horn and the Seventh Cavalry touches the entire American saga of exploration conflict and settlement in the West including virtually all Plains Indian tribes the frontier army railroading mining and trading Hence this bibliography will be a valuable resource for a broad audience of historians librarians collectors and Custer enthusiasts **A Life Cut Short at the Little Big Horn** Todd E. Harburn, 2023-02-23 Of the three physicians at the Battle of the Little Big Horn Doctor George Edwin Lord 1846-76 was the lone commissioned medical officer an assistant surgeon with the United States Army's 7th Cavalry one more soldier caught up in the U S government's efforts to fulfill what many people believed was the young country's Manifest Destiny A Life Cut Short at the Little Big Horn tells Lord's story for the first time Notable for its unique angle on Custer's last stand and for its depiction of frontier era medicine the book is above all a compelling portrait of the making of an army medical professional in mid nineteenth century America Drawing on newly discovered documents Todd E Harburn describes Lord's education and training at Bowdoin College in Maine and the Chicago Medical College detailing what the study of medicine entailed at the time for a young man of promise held in universal esteem Lord's time as a contract physician with the army took him in 1874 to the U S Northern Boundary Survey From there Harburn recounts how after a failed romance and the rigors of the U S Army Medical Board examination the young doctor proceeded to his first and only appointment as a post surgeon at Fort

Buford in Dakota Territory What followed of course was Lord s service and his death in the Little Big Horn campaign which this book shows us for the first time from the unique perspective of the surgeon A portrait of a singular figure in the milieu of the American military s nineteenth century medical elite A Life Cut Short at the Little Big Horn offers a close look at a familiar chapter in U S history and a reminder of the humanity lost in a battle that resonates to this day *Great Warrior Leaders/thinkers* ,1989 Rosebud, June 17, 1876 Paul L. Hedren,2019-04-11 The Battle of the Rosebud may well be the largest Indian battle ever fought in the American West The monumental clash on June 17 1876 along Rosebud Creek in southeastern Montana pitted George Crook and his Shoshone and Crow allies against Sioux and Northern Cheyennes under Sitting Bull and Crazy Horse It set the stage for the battle that occurred eight days later when just twenty five miles away George Armstrong Custer blundered into the very same village that had outmatched Crook Historian Paul L Hedren presents the definitive account of this critical battle from its antecedents in the Sioux campaign to its historic consequences Rosebud June 17 1876 explores in unprecedented detail the events of the spring and early summer of 1876 Drawing on an extensive array of sources including government reports diaries reminiscences and a previously untapped trove of newspaper stories the book traces the movements of both Indian forces and U S troops and their Indian allies as Brigadier General Crook commenced his second great campaign against the northern Indians for the year Both Indian and army paths led to Rosebud Creek where warriors surprised Crook and then parried with his soldiers for the better part of a day on an enormous field Describing the battle from multiple viewpoints Hedren narrates the action moment by moment capturing the ebb and flow of the fighting Throughout he weighs the decisions and events that contributed to Crook s tactical victory and to his fateful decision thereafter not to pursue his adversary The result is a uniquely comprehensive view of an engagement that made history and then changed its course Rosebud was at once a battle won and a battle lost With informed attention to the subtleties and significance of both outcomes as well as to the fears and motivations on all sides Hedren has given new meaning to this consequential fight and new insight into its place in the larger story of the Great Sioux War **Histories of American Army Units** ,1962 **Custer Myth, a Source Book of Custerians** William Alexander Graham,1953 *The Custer Controversy* Jack L. Pennington,1996 *Lakota Recollections of the Custer Fight* Richard G. Hardorff,1991 The fifteen Sioux and one Cheyenne who speak in Lakota Recollections of the Custer Fight witnessed Custer s Last Stand Their testimony sheds light on what happened at the Little Bighorn on the bloodiest of Sundays June 25 1876 Flying Hawk Standing Bear He Dog Red Feather Moving Robe Woman Eagle Elk White Bull Hollow Horn Bear and other Indian survivors of the Custer fight were interviewed during the early decades of the twentieth century by men genuinely interested in the historical truth including Judge Eli S Ricker General Hugh L Scott John G Neihardt and Walter S Campbell The interviews are collected here with introductions and notes by the editor **General Terry's Last Statement to Custer** John S. Manion,2000 New York Historical Society Quarterly New-York Historical Society,1954 **Crazy Horse and Custer**

Stephen E. Ambrose, 2003 On June 25 1876 611 men of the United States 7th Cavalry rode towards the banks of the Little Bighorn where three thousand Indians stood waiting for battle The lives of two great war leaders would soon become forever linked Crazy Horse leader of the Oglala Sioux and General George Armstrong Custer This masterly dual biography tells the epic story of the lives of these two men both were fighters of legendary daring both became honoured leaders in their societies when still astonishingly young and both died when close to the supreme political heights Yet they like the nations they represented were as different as day and night Custer had won his spurs in the American Civil War his watchword was To promotion or death and his restless ambition characterized a white nation in search of expansion and progress Crazy Horse fought for a nomadic way of life fast yielding before the buffalo hunters and the incursions of the white man The Great Plains of North America provided the stage and the prize *National Union Catalog* ,1953 **The National Union Catalog** ,1961 **Arizona and the West** ,1976 **The Missouri Archaeologist** ,1999
