dimensions collide *The Enceladus Crisis* Michael J. Martinez, 2014-05-06 Two dimensions collided on the rust red deserts of Mars and are destined to become entangled once more in this sequel to the critically acclaimed *The Daedalus Incident*. Lieutenant Commander Shaila Jain has been given the assignment of her dreams: the first manned mission to Saturn. But there's competition and complications when she arrives aboard the survey ship *Armstrong*. The Chinese are vying for control of the critical moon Titan, and the moon Enceladus may harbor secrets deep under its icy crust. And back on Earth, Project DAEDALUS now seeks to defend against other dimensional incursions. But there are other players interested in opening the door between worlds, and they're getting impatient. For Thomas Weatherby, it's been nineteen years since he was second lieutenant aboard HMS *Daedalus*. Now captain of the seventy-four gun *Fortitude*, Weatherby helps destroy the French fleet at the Nile and must chase an escaped French ship from Egypt to Saturn, home of the enigmatic and increasingly unstable aliens who call themselves the Xan. Meanwhile, in Egypt, alchemist Andrew Finch has ingratiated himself with Napoleon's forces and finds the true horrible reason why the French invaded Egypt in the first place. The thrilling follow-up to *The Daedalus Incident*, *The Enceladus Crisis* continues Martinez's *Daedalus* series with a combination of mystery, intrigue, and high adventure spanning two amazing dimensions. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction, space opera, time travel, hard SF, alien invasion, near future dystopia, fantasy, grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history, and horror: zombies, vampires, and the occult and supernatural, and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award winner, we are committed to publishing quality books from a diverse group of authors.

The Venusian Gambit Michael J. Martinez, 2015-05-05 The last chapter of the dimension-spanning *Daedalus* series brings the 19th and 22nd centuries together for an explosive finale in the jungles of Venus. In the year 2135, dangerous alien life forms freed in the destruction of Saturn's moon Enceladus are making their way towards Earth. A task force spearheaded by Lt. Cmdr Shaila Jain is scrambling to beat them there while simultaneously trying to save crewmember Stephane Durand, who was infected during the mission to Saturn and is now controlled by a form of life intent on reopening a transdimensional rift and destroying the human race. But Jain doesn't realize that the possessed Stephane has bigger plans: beaming critical data to other conspirators suspiciously heading not for Earth but for Venus. In 1809, a Napoleonic era far different from our own, the French have occupied England with their Corps Eternel: undead soldiers risen through the darkest Alchemy. Only the actions of Lord Admiral Thomas Weatherby and the Royal Navy have kept the French contained to Earth. But the machinations of old enemies point to a bold and daring gambit: an ancient weapon presumed lost in the jungles of Venus. Now Weatherby must choose whether to stay and fight to retake his homeland or pursue the French to the green planet. And Shaila must decide if it's possible to save the man she loves or if he must be sacrificed for the good of two dimensions. In the dark alien jungles of Venus, humanity's fate in both dimensions hangs in the balance, forcing past and

present to once again join forces against an ancient terror Skyhorse Publishing under our Night Shade and Talos imprints is proud to publish a broad range of titles for readers interested in science fiction space opera time travel hard SF alien invasion near future dystopia fantasy grimdark sword and sorcery contemporary urban fantasy steampunk alternative history and horror zombies vampires and the occult and supernatural and much more While not every title we publish becomes a New York Times bestseller a national bestseller or a Hugo or Nebula award winner we are committed to publishing quality books from a diverse group of authors
