Historical Society,1876 **The Invention of the Eastern Question** Ozan Ozavci,2025-06-26 The Invention of the Eastern

Question recounts the gripping and dramatic history of how the Russian Empire's invasion of Ottoman Crimea reshaped global politics at the dawn of the nineteenth century. Through the lives of Scottish diplomat Sir Robert Liston and his wife Henrietta nee Marchand Liston the book follows the emergence of the Eastern Question the most dangerous enduring and complex international relations issue of the century that would claim millions of lives until the 1920s. Drawing on the Listons official and private letters personal diaries and a trove of Austrian British Dutch French Ottoman and Russian archives Ozan Ozavci reveals the importance of the art of negotiation in the age of revolutions showing how the choices of a few people shaped empires stirred tensions and left a legacy that would haunt global imperial relations long after the Listons left the world stage. Providing a new analysis of Euro Ottoman relations at a crucial historical juncture the book will be of great interest to scholars of history and International Relations

intricate political and diplomatic issues surrounding the decline of the Ottoman Empire during the 19th century. This historical work provides valuable insights into the complex relationships between European powers and the Ottoman state examining the competing interests and interventions that shaped the region's destiny. Stratford Canning, a prominent diplomat, offers a firsthand perspective on the events and negotiations that defined the Eastern Question. His analysis sheds light on the strategic importance of the Ottoman territories and the various strategies employed by European nations to maintain their influence. This book remains an essential resource for understanding the historical context of modern-day geopolitical dynamics in the region.
