**The Spirit of Place in D.H. Lawrence** Edward Henning Nehls,1953 [Touch And Go](#) D. H. Lawrence,2023-01-02 When the miners threaten to go on strike Gerald Barlow the colliery master in Touch and Go behaves in accordance with form and is disdainful and unwavering It s not their narrative it s his Gerald has modernized the pit and dehumidified the employees since his father before him was too lenient with the guys and he has nothing but contempt for their efforts to exert authority They make an effort each day They lack the intellect to run contemporary business hence they could never do it They are not intelligent living forms The owners might not have much but Labour does not They are merely mechanical cubes that can do one or two moves before being finished They are as ignorant of life as a lawnmower The villain is unmistakably the Labour representative Job Arthur Freer who cosies up to Gerald in secret and joyfully accepts a pocketful of pricey cigars before turning on his master after receiving a pounding from him The third and final act will inevitably have a final confrontation When it did nothing noteworthy happened and the play abruptly ended as if there had been a curfew on the theatre and the time had run out Oliver a friend of Gerald s did give a rambling speech about Capital and Labour battling over the same stick but it was essentially meaningless [D.
