Signed by the Soldier Heidi Hopkins,2018-09-10 T I M E as we know it is an undiscovered of and obscure thing Though despite being a century apart an eighteenth century soldier and a recently orphaned teenage girl have managed to conquer the infamous mystery that is time as through both the past and present their letters find a loophole to one another In the

silver lit surroundings I thought I saw the distinctive blush of a velvet jacket all crimson and dark in this field of colour Though as I turned narrowing my eyes to seek such a sight I was faced with the dark depths of others any visible red gone Dance with me then came from behind and I spun facing what was a pair of blue eyes behind a mask of black challenging in their squint It wasn't a question but a demand of the highest order and I couldn't do much but accept sliding what I now realised to be a gloved hand through his The stranger or soldier as my dream believed yanked me to him and we twirled like stars through the dark crowd our eyes intently locked There were no words no conversation simply the sweet pecking movements of our waltz sliding through the night Author Note This book should be advised for an audience over 18 as it contains strong themes and light discussion on sexual assault [Sheer Cupidity](#) Raven Kennedy,2022-02-14 What happens when a cupid falls in love From international best selling author Raven Kennedy comes a new fantasy romance that returns to the Cupidity world filled with humor heart and heat I am great at my job And I'm not just saying that I have the statistics to back it up Being a cupid is my passion Being the best is just the dollop of pink icing on the heart cake But none of that matters when I find myself caught up in a battle in the fae realm I'm about to get hit with a power blast strong enough to end my immortal life when something happens A fae male steps in front of me and takes the hit Belren dies right there in front of my eyes Aimless in my guilty grief I lose my footing as the perfect cupid And footing is very important when you're trying to have a superior bow and arrow stance Finally fed up with the constant cloud of regret I go back to where it started the fae island where Belren died Yet I don't find closure Instead I find him But the horned handsome and entirely see through male doesn't remember me at all And that's when I know that the fates are out to mess up my orderly life Because the truth is Belren haunted me long before he ever became a ghost Now it seems we both have unfinished business Author's Note This is a spin off from the original Heart Hassle series It is a standalone m/f romance but has some continuing story arcs and familiar characters from the first 4 Cupidity books There is explicit language and romance and is intended for ages 18
