## **Surprised By The Power Of The Spirit:**

**Surprised by the Power of the Spirit** Zondervan, 2010-08-10 What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In **Surprised by the Power of the Spirit** Jack Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in popular style with the care of a scholar but the passion of personal experience this book is a vital resource for people on both sides of the debate about miraculous gifts **Why I Am Still Surprised by the Power of the Spirit** Jack S.

Deere, 2020-04-07 In his classic **Surprised by the Power of the Spirit** Jack Deere looked at the reason why many Christians including himself at the time struggle to believe in miraculous gifts and he provided a groundbreaking biblical defense of the Holy Spirit's speaking and healing activities today In **Why I Am Still Surprised by the Power of the Spirit** the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction the Scriptures teach that God is healing and speaking today just as he did 2 000 years ago Having almost entirely rewritten **Surprised by the Power of the Spirit** this new edition comes at a time when the theological landscape has dramatically changed and most evangelicals do believe in all the gifts of the Spirit But many of us are still unsure how to understand those gifts and there is much confusion today on what it means to be filled with the Spirit This book is for those familiar with Deere's work and for newcomers alike In it he Explains the nature of spiritual gifts defining each of them Offers sound advice on discovering and using spiritual gifts in church Tells documented stories of modern miracles and encounters with demonic powers Examines the New Testament use of the phrase filled with the Spirit to show why and how God still fills his servants with the Holy Spirit Introduces the newest literature defending and explaining the gifts of the Spirit With the care of a scholar and the passion of personal experience this new edition builds upon the legacy of **Surprised by the Power of the Spirit** and the profound impact it's had among Christians of many traditions **Surprised by the Power of the Holy Spirit** Jack
