The Devastated Vineyard Dietrich Von Hildebrand,1985 The Devastated Vineyard Dietrich Von Hildebrand,1973

Unearthed Brandon Address,2010-10-05 Jesus said that the Kingdom of God is like a treasure buried in a desolate field that one would sell all of his possessions to attain Yet the shocking reality is that this treasure remains buried as the average Christian and Church are sadly unaware of what the Kingdom of God is or why it even matters In his revealing first work Brandon Address writes that while the Christian and the Church continue to chase their tails in pursuit of an identity and purpose in the world it is ultimately the unearthing of the Kingdom of God that will transform the Church and change the world While walking simplistically through the parables of Jesus to get a better understanding of Kingdom of God this book will also convince and inspire you and your Church to be the means through which the Kingdom of God breaks into the world in power Second Scholasticism, Analytical Metaphysics, Christian Apologetics Lukáš Novák,David Svoboda,Prokop

Sousedík,2024-07-04 *John the Baptist in History and Theology* Joel Marcus,2018-11-16 An analysis that challenges the conventional Christian hierarchy of John the Baptist and Jesus of Nazareth While the Christian tradition has subordinated John the Baptist to Jesus of Nazareth John himself would likely have disagreed with that ranking In this eye opening new book John the Baptist in History and Theology Joel Marcus makes a powerful case that John saw himself not Jesus as the proclaimer and initiator of the kingdom of God and his own ministry as the center of God s saving action in history Although the Fourth Gospel has the Baptist saying He must increase but I must decrease Marcus contends that this and other biblical and extrabiblical evidence reveal a continuing competition between the two men that early Christians sought to muffle Like Jesus John was an apocalyptic prophet who looked forward to the imminent end of the world and the establishment of God s rule on earth Originally a member of the Dead Sea Sect an apocalyptic community within Judaism John broke with the group over his growing conviction that he himself was Elijah the end time prophet who would inaugurate God s kingdom on earth Through his ministry of baptism he ushered all who came to him Jews and non Jews alike into this dawning new age Jesus began his career as a follower of the Baptist but like other successor figures in religious history he parted ways from his predecessor as he became convinced of his own centrality in God s purposes Meanwhile John s mass following and apocalyptic message became political threats to Herod Antipas who had John executed to abort any revolutionary movement Based on close critical historical readings of early texts including the accounts of John in the Gospels and in Josephus s Antiquities as well as parallels from later religious movements John the Baptist in History and Theology situates the Baptist within Second Temple Judaism and compares him to other apocalyptic thinkers from ancient and modern times It concludes with thoughtful reflections on how its revisionist interpretations might be incorporated into the Christian faith **The Phenomenon of Teilhard** David H. Lane,1996 New Age writer of the popular Aquarian Conspiracy Marilyn Ferguson observed that many of the leading lights of the New Age movement claim Teilhard as one of the most influential persons in

their lives Other influences acknowledged include C G Jung Aldous Huxley Swami Muktananda Thomas Merton Werner Erhard and Maharishi Yogi Indeed of the 185 New Age leaders surveyed Teilhard was the most frequently mentioned of any person who had most influenced their thinking If this is the case then if we are to understand the New Age movement properly it behooves us to take a careful and critical look at Teilhard de Chardin David Lane has done precisely this in a clear well documented and penetrating way In this crucial book David Lane lays bare the philosophical theological and scientific failures of Teilhard s New Age enterprise In a highly documented and insightful scrutiny of Teilhard s cosmic evolution Lane unveils the apostate Christian roots of one of the most important forerunners of the New Age movement This is one of the most significant and serious treatments of the modern roots of the New Age in print [Religious pamphlets](#),1912 [The Book For Our Time!](#) Willy Jeanne Louis De Smedt,2023-11-22 Is it still possible to write something new and valuable about the Revelation The subject of Revelation has always been an intriguing one for both believers and non believers who for centuries have devoted themselves to studying and examining it Consequently many scholars have shared their view about it but almost all of them appear to be in contrast with one another Indeed never in time existed a continuous interpretation as every reader approaches the text from a distinct perspective Nonetheless it has always been evident that the key to Revelations lies within the pages of the Holy Scriptures With this notion in mind The Book For Our Time a translation of the original manuscript published in 1872 was written in order to research and understand along with readers to find the true end and fulfilment of Revelation and in so doing bring a sense of purpose to those who read it Willy Louis Jeanne De Smedt 8 2 1931 25 8 2017 Born in Belgium he moved with his parents to the Democratic Republic of the Congo where he attended a Catholic School Always serious about religion he wished to become a priest but eventually decided not to pursue his dream After moving to South Africa where he qualified as a millwright at Iscor Willy started working as a math teacher at the Military Technical College During a service in the New Apostolic Church Willy heard and learned about the Day of The First Resurrection That s when the project of The Book For Our time started to take form from his desire to inform people about the salvation plan of God He died in 2017 due to Leukemia [Saint Peter and the First Years of Christianity](#) Constant Fouard,1892 [The Psalms \(Volume 2, Psalms 42 to 106\)](#) James Johnston,2025-01-14 Volume 2 of Preaching the Word s Reader Friendly Commentary on the Psalms Explores Chapters 42 106 The Psalms is one of the most widely loved books of the Bible A source of instruction for our prayers inspiration for our songs and consolation for our tears these biblical poems resound with the whole spectrum of human emotion and teach us to hope in God each and every day In the second volume of a 3 part commentary on the Psalms pastor James Johnston walks readers through chapters 42 106 offering exegetical and pastoral insights along the way Edited by R Kent Hughes the Preaching the Word expository series is an essential resource for anyone interested in studying teaching or preaching the Bible Expository Commentary on the Psalms In depth study explores more than 60 individual psalms and explains how they fit together in Scripture Reader Friendly Written by pastors
