

A whimsical illustration of a lighthouse on a hill at night. The lighthouse is a dark, multi-story structure with four glowing yellow windows. It sits atop a dark, rounded hill. A full, bright white moon is positioned directly behind the lighthouse, creating a halo effect. The sky is dark blue with soft, white clouds and a few small white stars. In the foreground, there is a body of water with a small boat. The boat has a white cabin and a dark roof. A large, gnarled tree trunk is visible on the right side of the boat. The overall scene is peaceful and atmospheric.
