Dear Ms Coletta,

My name is Gina Bautista, and I'm applying for the Junior UI/UX Designer role at Eureka Insights. Ever since I took a beginner's Udemy UI/UX course during the pandemic, I became fascinated and began devoting my spare time to learning about product development and design. Equipped with my MA Education and a certificate from Thinkful's UI/UX remote bootcamp, I believe I'd be a great addition to your design team.

My Thinkful bootcamp was a full-time 5-month course that taught me how to embrace design thinking and work on 4 different projects — all of which received a 90%+ score. These projects involved sketching out wireframes and mock-ups on Figma, creating landing pages, and designing my own app. If hired, I'd immediately put these lessons to practical use at your organisation.

Also, I cultivated abilities as a teacher at Hillcrest Primary School that'll help me exceed your team's requirements. For instance, leveraging my presentation and communication skills daily while instructing groups of 30+ Year 3 students will transition well into a designer role when I pitch new ideas to stakeholders and developers. Also, my experience organising 8+ full curricula and understanding the importance of a structured planning process will help me make solid task flows and prototypes for your agency.

If you'd like further information about my qualifications, you can find me at [harry.bissix@email.com](mailto:harry.bissix@email.com) or on 07123 456 789. Thank you for reading my cover letter.

Yours sincerely,

**HARRY BISSIX**
