**Let Me Go** Erica Bunker, 2025-05-22 I gave him love He gave me lies And somewhere in between I lost my damn self When love turns into survival and survival turns into silence what's left In Let Me Go A Journey from Wounds to Wisdom Erica Bunker tells the raw unfiltered truth about a relationship that nearly broke her and how she fought her way back What began with hope and potential turned into emotional manipulation financial wreckage and the kind of heartbreak that doesn't just wound it changes you This isn't some how to get over a man story wrapped in cute clichés and self help fluff This is a testimony One woman's journey through heartbreak hard lessons and healing With brutal honesty and sharp wit Erica exposes the lies she believed the red flags she ignored and the strength she discovered once she stopped making excuses for someone who never deserved her love Whether you've been through it judged someone who has or swore couldn't be me this story is your mirror your wake up call your reminder You don't have to stay stuck in pain to prove your worth Raw Relatable Resilient This isn't a story about struggle love This is a story about letting go of him of shame and of everything that kept you small

**All the Best for the Future** Greg James, 2025-09-25 Brilliantly funny and life affirming stories of growing up from much loved Radio 1 presenter and bestselling children's author Greg James When Greg James was ten years old his nylon shell suit clad idols the Chuckle Brothers to me to you signed an autograph from them to him with the message All the best for the future It was a weirdly formal message for a kid Ten year old Greg had no idea what the future held no clue what was in store for him as he carried on through life How could he No one really knows what's coming We all have big dreams and small ones ideas about how we want our lives to pan out when you'll get married where you'll live how many children you want what you want to be when you grow up We race through the milestones desperate to unlock life's next level and before you know it you're a grown up That's all well and good but have you remembered to have fun along the way Whether it's entertaining the nation with his hugely popular BBC Radio 1 Breakfast Show writing big funny adventures for kids with his bestselling children's books finding the joy in cricket and F1 in his podcasts Tailenders and The Fast and the Curious or posting stupid videos of his adorable but quite thick dog Barney Greg's focus is to put a smile on people's faces because let's face it having fun is something we all forget to prioritise sometimes In All the Best for the Future Greg looks at how he thought his life would go and shares the things that wind him up make him sad make him laugh and the little passions and interests that he relies on to get him through the day whether it was a good one or a bad one He tells us who he is who he thought he'd be and who he still thinks he could be Most of all though his message for everyone is not to let go of that inner child as he navigates how to grow up without growing old It's possible to be fully functioning adults with bills to pay and a dog to look after and still find time to play with a train set
