Taking the Anxiety out of AI

Sameer Rawjee, 2025-04-01

As AI becomes more widespread in the workplace and in society, what impact will it have on your job, your life, and the world around you? If AI can take on more and more of the tasks people perform at work and do them more efficiently, where does that leave human beings? Taking the Anxiety out of AI explores the nature of human intelligence and artificial intelligence and considers what AI can do and what it can't do. What tasks will always be performed better by humans and what the future will look like in a world where humans and AI work together. Whether you have experience using AI or have just decided to get started with it right now, this book is an essential guide for navigating the new future.
