**It Takes a Church to Raise a Christian** Tod E. Bolsinger,2004-04 Rediscover the triune nature of God to reawaken and nourish a communal spirit in our individualist times    **Under the Oak Tree** Ronald J. Allen,John S. McClure,O. Wesley Allen Jr.,2013-11-06 Two trends in the early twenty first century intersect to give this volume immediate relevance 1 The emerging postmodern ethos in North America is calling into question many things we have taken for granted including the purposes of the church and 2 our time is increasingly fractious as groups with distinct worldviews become polarized and often antagonistic Eleven noted contributors join a growing current that sees conversation as an image to refresh our thinking about the nature and purpose of the church and as a process in which individuals and communities with different perspectives come together for real understanding Under the Oak Tree employs the image of Sarah and Abraham greeting three visitors under the Oaks of Mamre as an image for the church as a community of conversation a community that opens itself to the otherness of the Bible voices in history and tradition others in the contemporary social and ecological

worlds Furthermore the book shows how conversation can lead the church to action The book takes a practical approach by exploring how conversation can shape key parts of the church s life Topics include preaching worship formation evangelism pastoral care mission and ecumenism social witness and the relationship of Christianity to other religions Foundational chapters consider God as conversational the church as community of conversation and the minister as conversation leader

Sponheim,1999  
Paul Sponheim's theme is transformation personal social cultural and global He addresses the violence environmental destruction and lost sense of self that plague modern society In response he finds a genuine desire among Americans for both individual and social transformation He suggests however that we may have lost sight of the Creator's call for us to join in the work of creation through direct partnership with others not just with other Christians in nurturing change Sponheim claims the ecstatic power of religion for individual and social transformation and explores how the human status as creature entails responsibility to God in the drama that creation constitutes In central chapters on Interruption Calling and Relationship he clearly shows how transformation takes place through our participation in God's ongoing creative work

Zion Rejoice!* James Abbington,2001 Filled with creative and practical strategies for integrating self care into the natural ebb and flow of vocational life this compelling resource identifies the personal and cultural factors that influence overload and outlines plausible strategies to pull the weary pastor out of such bondage    **Social Policy** ,2003    **Critical Issues in Fund Raising** Dwight Burlingame,1997-02-14 Table of contents
