*Palestine, the Right of Return* Paul M. Bergstrom,2010-07-01 Palestine The Right of Return is a must read novel that addresses several critical issues facing world leaders who seek a solution to the almost century long Arab Israeli conflict The Balfour Declaration issued in 1917 set the conflict in motion Mr Bergstrom s story albeit fiction should be required reading for anyone hoping to understand the current stalemate Mr Bergstrom defines a path to lasting peace via a single state solution Further he highlights the problems created by America s well meaning but one sided intervention on the side of Israel in the peace negotiations Mr Bergstrom argues that Palestine s future will not be found in an agreement that divides Palestine into two equally or unequally aggrieved states further asserting that peace can only come from the efforts of the primary stakeholders those who will benefit or suffer most immediately through any resolution The United States Hamas Hezbollah Iran Lebanon and other interested parties must stand aside Mr Bergstrom concludes that the people of Palestine itself own the problem and they must join together if a workable solution is to be created
