From USA Today and New York Times bestselling author Colleen Cross. Westwick Corners isn't your typical small town. Or even a normal ghost town. It's where people go not to be found and witches go to work their magic without attracting too much attention. The combination makes for some interesting and humorous mysteries and the witches are always at the center of the action. Ruby's cooking, Cendrine's amateur sleuth and investigator activities and Aunt Pearl's magic school are always looking for that one secret ingredient that will propel the witches to fame and fortune and put the small town of Westwick Corners back on the map again. The witches are forever cooking up new business opportunities like The Westwick Corners Inn, The Witching Post Bar and Grill and of course Pearl's Charm School where witches go to unravel riddles, spin magic spells and create their own witch mysteries. Too bad they are forever getting distracted because there are always strange things happening in Westwick Corners from petty crime to murder. The West family has always been in Westwick Corners and always will be. They descend from a long line of witches who have inhabited Westwick Corners from the beginning. Witches who unlock mysteries, solve crime and help those in need. They are collectively a kind of a witch of all trades because pitching in or is it witching in is what you do in a small town. Everyone helps out. Even Grandma Vi the ghost investigates and sleuths. But when everyone pulls together it's not always in the same direction. If you
