**Wedding Bells in Christmas** Debbie Mason,2015-05-26 Wedding bells are ringing in the charming town of Christmas but not for Vivian Westfield She s just had her heart trampled under the cowboy boots of Chance McBride and lost her dream job at a big city newspaper But when she returns for a wedding she stumbles on a story that could resurrect her career First though she ll have to deal with the handsome man standing in her way and a still burning flame that s too hot to ignore Chance recognizes trouble when he sees it He just didn t expect to find it in the first class cabin on the flight home for his father s wedding Yet there she is as gorgeous as ever Vivi dared Chance to want things he knew he could never have It s why he left her But Christmas s meddling matchmakers have them firmly in their sights So if they want to survive the next week they ll have to play the part of an adoring couple an irresistible charade that may give them a second chance at the real thing

Charles,2016-11-22 DECORATING WITH THE GRINCH It was one little fender bender Sadie was only in picturesque Pineville Michigan for a day trying to handle the ramshackle house her grandmother left her and juggle the sale of her failing design business at the same time Her debtors don t care that it s almost Christmas But then neither does the big bad contractor whose truck got squashed Colt McCoy might be the least festive person she s ever met He s gruff rude and way too upset about a minor accident Of course he is nice to look at with dimples hiding in his scruffy beard and a body like a lumberjack s And Sadie will have plenty of time to enjoy the view since their community service sentence has put the two of them in charge of Pineville s jinxed Christmas tree But as their squabbles over ornaments turn to laughter anyone can see Colt and Sadie have something electric The hard part is guessing if they ll light each other up or just keep blowing the fuse
