## Back To School!

Hello!

I hope you are having a wonderful summer with your family! You are probably having fun riding your bike, swimming, or playing games. I had fun, too. Mr. Post and I did a lot of traveling together. It was a terrific summer!

Now I have been back at school getting our classroom ready! I thought I would write you a letter to tell you how excited I am for the first day of school. I can't wait to see you!

We are going to have so much fun this year in first grade.

We will be sharing many big books, stories, poems and songs! We will have fun writing, too. We will be playing some excellent math games! We will also learn new things in science and social studies. Computer time will be

awesome, too! You will see some of your old friends in our class, but you will make new friends, too!

Everyone received a supply list last June. If you have your supplies, you may bring them in a little at a time the first week of school or all at once, whichever is easier for you.

If you or your family would like to write me a letter, I would love to learn about anything that you'd like me to know about you. You can mail it to me at Smith School, or bring it with you during the first week of school.

When you come to school on the first day, I will be right outside to meet you and show you where to go. We are going to have a great year! We will be meeting new people, learning new names, making new friends and helping each other.

I am looking forward to seeing you! I hope you enjoy these last days of vacation!

I will see you soon.  
Bring your smile!

Your teacher,  
Mrs. Post

**Spring and Summer School Celebrations** Alice Maude Kellogg, 1895      124 High-Impact Letters for Busy Principals  
Marilyn L. Grady, 2000-08-16 The letters that can make a difference in the principalship often are the letters that principals have no time to prepare Often must write negative letters consume the principal's letter writing energies This collection of letters is primarily focused on the letters that principals have no time to prepare Clearly principals know how to write letters They simply have incredible time constraints The letters in this manual are not a substitute for the personalized letters that principals will craft This collection is merely a starter kit The timesaving templates are easy to personalize and customize with the CD that provides a powerful and effective tool ready at the click of the computer mouse      **E.J. Pratt: Letters** E.J. Pratt Library, 2017-01-18 This edition of E J Pratt's letters is the final volume in the Collected Works series Because of Pratt's role in the making of Canadian culture between and after the World Wars his correspondence highlights key moments in our cultural history and provides a view of the enterprise from its very centre The letters take us into his workshop illuminating the research behind his distinctive documentary long poems and the social nature of his creative production They also reveal the complex network of writers critics artists and political figures of which Pratt was a part the evolution of the Canadian book trade from the 1920s through to the early 1960s and the emergence of radio and specifically of the Canadian Broadcasting Corporation as a tool for forging national identity Pratt's correspondence both confirms the public persona of one of Canada's first literary celebrities and provides glimpses of the private character behind the mask      **Selected Letters of John Updike** John Updike, 2025-10-21 The arc of literary giant John Updike's life emerges in these luminous daily letters to family friends editors and lovers a remarkable outpouring over six decades from his earliest consciousness as a writer to his final days As James Schiff writes in the introduction to this volume of the writer who would eventually express himself in written form as copiously and as elegantly as any American writer before him Updike needed to write the way the rest of us need to breathe or eat With his stunning rhetorical gifts enabling him to thrive in both short fiction and the novel criticism as well as poetry Updike was also a consummate letter writer When barely a teenager he began submitting poems and cartoons to national magazines and soliciting famous cartoonists with flattering requests for a drawing His letter writing only increased when he left the family farm in Pennsylvania for Harvard where he composed more than 150 witty substantive letters to his parents The summer after he graduated The New Yorker began accepting his work and his exchanges with editors publishers and writers would stretch into a correspondence that Schiff notes figures not as an adjunct to but rather an integral part of his astonishing literary output The intimacy and lucidity of these letters brings to the fore all manner of subjects and situations notably the ardent feelings for his first love and wife Mary and later the heartbreaking but honestly accounted breakup of their marriage the uncensored passion for other women including his Ipswich neighbor Martha who became his second wife the concern for his children's path to adulthood and the conversations with many literary peers from

Joyce Carol Oates to Philip Roth as well as his Knopf and New Yorker editors critics translators and others in the lit business Filled with comic observations opinions and personal news told in the fluid first person voice of the writer himself these missives taken together create a page turning life in letters like no other
