Welcoming The Stranger Justice Compassion Truth In The Immigration Debate:

Welcoming the Stranger Matthew Soerens, Jenny Yang, Leith Anderson, 2018-07-03 World Relief staffers Matthew Soerens and Jenny Yang move beyond the rhetoric to offer a Christian response to immigration With careful historical understanding and thoughtful policy analysis they debunk myths about immigration show the limits of the current immigration system and offer concrete ways for you to welcome and minister to your immigrant neighbors **Welcoming the Stranger** Matthew

Soerens, Jenny Hwang Yang, 2009-02-28 Immigration is one of the most complicated issues of our time Voices on all sides argue strongly for action and change Christians find themselves torn between the desire to uphold laws and the call to minister to the vulnerable In this book World Relief staffers Matthew Soerens and Jenny Hwang move beyond the rhetoric to offer a Christian response to immigration They put a human face on the issue and tell stories of immigrants experiences in and out of the system With careful historical understanding and thoughtful policy analysis they debunk myths and misconceptions about immigration and show the limitations of the current immigration system Ultimately they point toward immigration reform that is compassionate sensible and just as they offer concrete ways for you and your church to welcome and minister to your immigrant neighbors **Welcoming the Stranger** Matthew Soerens, Jenny Yang, Leith

Anderson, 2018-07-03 World Relief staffers Matthew Soerens and Jenny Yang move beyond the rhetoric to offer a Christian response to immigration With careful historical understanding and thoughtful policy analysis they debunk myths about immigration show the limits of the current immigration system and offer concrete ways for you to welcome and minister to your immigrant neighbors Compassionate Justice Christopher D. Marshall, 2012-08-01 Two parables that have become firmly lodged in popular consciousness and affection are the parable of the Good Samaritan and the parable of the Prodigal Son These simple but subversive tales have had a significant impact historically on shaping the spiritual aesthetic moral and legal traditions of Western civilization and their capacity to inform debate on a wide range of moral and social issues remains as potent today as ever Noting that both stories deal with episodes of serious interpersonal offending and both recount restorative responses on the part of the leading characters Compassionate Justice draws on the insights of restorative justice theory legal philosophy and social psychology to offer a fresh reading of these two great parables It also provides a compelling analysis of how the priorities commended by the parables are pertinent to the criminal justice system today The parables teach that the conscientious cultivation of compassion is essential to achieving true justice Restorative justice strategies this book argues provide a promising and practical means of attaining to this goal of reconciling justice with compassion *Migration, Transnationalism, and Faith in Missiological Perspective* Kirsteen Kim, Alexia

Salvatierra, 2022-04-04 Los Angeles is a global crossroads of migrating communities that presents a case study of migration transnationalism and interfaith engagement with significant implications for thinking and practice in other global hubs This book weaves together contributions from internationally recognized scholars who were brought together for the 2020

Missiology Lectures at Fuller Theological Seminary They examine historical waves of migration European Protestant Asian Latino a and Muslim into Southern California and use sociological missiological and theological methods to understand the experience of migration and its effects both on those who move and those who are already there The result shows how migrants are inspired and sustained by faith and spiritual resources how migration challenges faith communities about their identity and attitudes to others how faith communities in turn impact the migration landscape through immigrant integration and public advocacy and how migration forges new transnational and global ways of being in community and innovative religious movements The contributors put forward a mission theology of migration and suggest mission practices in response to the suffering caused by forced migration and the injustices of immigration systems *Healing the Wounds of the Displaced* Francisco Zamora Avila, 2025-10-07 Drawing on Zamora's lived experience and deep connections to the undocumented immigrant community this book invites readers into deep reflection regarding the enormous need for a new ecclesial model of ministry on the margins A voice for a voiceless community Zamora brings both lived experience and a pastoral heart to bear in this unique window into both the stress and trauma and the gifts of undocumented immigrant communities Zamora helps us understand that churches must develop informed theologies of immigration psychological understanding of the distinctive challenges immigrants face and practical new approaches toward ministry Rarely do American ministry leaders hear from those who have actively experienced this trauma and then gone on to study and serve in this community Zamora's distinctive credentials and passion for ministry with and among immigrants offer a new and important perspective Zamora is a courageous leader for a courageous community His model of pastoral care among the displaced offers clear-eyed guidance for Christians committed to more effective ministry among those wounded by their immigration experiences What does it mean to shepherd congregants who lack documented status How might trauma manifest among those who have fled violence or experienced great loss Zamora's thoughtful treatment of these and other questions will help ministry leaders develop vital awareness and understanding leading readers toward a horizon of new pastoral models for the broader church

Cultural Engagement Joshua D. Chatraw, Karen Swallow Prior, 2019-07-09 How should Christians approach important contemporary issues like war race creation care gender and politics Christians in every culture are confronted with social trends and moral questions that can be difficult to navigate But the Bible often doesn't speak directly to such issues Even when it does it can be confusing to know how best to apply the biblical teaching In *Cultural Engagement A Crash Course in Contemporary Issues* authors Joshua D Chatraw and Karen Swallow Prior first offer a broadly accessible framework for cultural engagement and then explore specific hot topics in current Western culture including Sexuality Gender Roles Human Life and Reproduction Technology Immigration and Race Creation and Creature Care Politics Work Arts War Weapons and Capital Punishment Featuring contributions from over forty top thinkers proponents of various views on the specific topics present their approaches in their own words providing readers an

opportunity to fairly consider options Unique in how it addresses both big picture questions about cultural engagement and pressing current issues Cultural Engagement provides a thorough and broad introduction useful for students professors pastors college ministers and any believer wanting to more effectively exercise their faith in the public square

Christianity and Migration Peter C. Phan, Oxford Editor, 2025-10-07 This book essays a not the Christian theology of migration The phenomenon of human migration that is the movement of people to and settlement temporary or permanent in a new area or country its causes and reasons and its historical anthropological social political legal and cultural dimensions have been widely studied and reasonably well understood and the next chapter will discuss them in detail By contrast theology as an academic discipline seems least capable of illuminating this human phenomenon It appears to most people outside the church and its educational institutions to be at best an esoteric subject and at worst a convoluted and useless mumbo jumbo especially when liberally sprinkled with Greek and Latin phrases Why not leave the study of migration to scholars in history sociology anthropology economics politics and law who albeit no less infected with highfalutin language than theologians do at least try to offer practical policies and effective strategies either for or against immigration Provided by publisher **Agape, Justice, and Law** Robert F. Cochran, Zachary R. Calo, 2017-05-25 This book addresses key

contemporary legal debates from the perspective of the central Christian ethical category of love agape **Seeking Refuge** Stephan Bauman, Matthew Soerens, Dr. Issam Smeir, 2016-06-16 Recipient of Christianity Today's Award of Merit in Politics and Public Life 2016 What will rule our hearts fear or compassion We can't ignore the refugee crisis arguably the greatest geo political issue of our time but how do we even begin to respond to something so massive and complex In Seeking Refuge three experts from World Relief a global organization serving refugees offer a practical well rounded well researched guide to the issue Who are refugees and other displaced peoples What are the real risks and benefits of receiving them How do we balance compassion and security Drawing from history public policy psychology many personal stories and their own unique Christian worldview the authors offer a nuanced and compelling portrayal of the plight of refugees and the extraordinary opportunity we have to love our neighbors as ourselves **Immigration** Debra A. Miller, 2010 The current Controversies

series examines today's most important social and political issues Each volume presents a diverse selection of primary sources representing all sides of the debate in question Book jacket **The Writers Directory**, 2013 **Contact** Tyler White, 2020-09-10 Personal interaction contact with those different from ourselves provides us with new understandings greater respect and reduced prejudices toward others We should not only be driven to come into contact with others for the purposes of understanding and reconciliation but as Christians we are obliged to come into contact with others not despite but because of who they are where they come from what they look like or any perceptions we may have about them because Jesus has come into unconditional contact with us Providing understanding of what contact is and how it looks author Tyler White takes the reader through an examination of the current cultural climate focusing on the state of communication

biblical and theological themes of contact the relevancy and vitality of cultural competency and orientation personal stories and case studies of people who have experienced successful contact The social theory that is discussed in this book contact theory has been thoroughly researched in academic and other scholarly settings however very little analysis if any has been conducted in the sphere of Christian community Contact examines what it would look like to apply contact theory in the lives of Christians in a practical accessible way Editorial Reviews Review At a time when our society feels more polarized than ever Tyler White s Contact The Shaping Power of Intentional Interaction makes a compelling case from both the Bible and research that relationships with those who are different from ourselves are vital to developing empathy and mutual understanding It s an important message for the Church today Matthew Soerens U S Director of Church Mobilization Coauthor of Welcoming the Stranger Justice Compassion and Truth in the Immigration Debate Into our deeply fractured and polarized culture wars which are tearing apart our national unity and damaging the credibility of the church comes this truly helpful and timely book by Tyler White Contact addresses many of the core problems we face in a globalized and over wired world of competing truth ghettos out of touch with each other He provides not only analysis to help us understand how we got here but practical steps toward deeper engagement and correction While his work is helpful for those in a secular environment it is especially significant for followers of Jesus who want to follow the Prince of Peace in healing and uniting all people made in God s image I am eager to see this book in publication so that I can recommend it to every church leader I know Dan Bouchelle DMin President Mission Resource Network Contact is a necessary read for America At a time in our nation where healthy dialogue and discourse are rare White s text provides a clear and pragmatic approach forward Not only does Contact identify the root causes of conversation failure it offers examples and illustrations from sacred and secular environments This is a transformative and compelling read that speaks to all peoples regardless of gender race religion political ideology or socioeconomic status Contact equips those who want discourse to improve with the necessary tools to make the theoretical possible Joshua Jackson Lead Minister Rural Hill Church of Christ I remember the first time I heard the term contact theory I felt the truth of this simple yet profound idea in my own experience working in a refugee community I wanted to dig in and know more And I wanted others especially the community of those who follow Jesus to understand how important it is to move intentionally toward people who are different from us What I wanted was a book like the one Tyler White has written a book that both inspires and instructs that challenges and creates a path to meet that challenge Contact is a much needed encouragement for our time Kittie Murray Founder and CEO Refuge Coffee Co In a day and age where division is heightening due to disagreements on a plethora of issues Tyler does a fantastic job of giving us a blueprint on the importance of being in contact with others from different backgrounds and life experiences with others who might look think and act differently than we do This is a timely book that all fellow Christians need to read Rondell Trevi o Founder and Director The Immigration Coalition Are you weary of our current climate of polarization and fear This book is a must read

With a potent mixture of scriptural encouragement historical background social science research case studies and insights from personal experience White calls the Church to lay aside knee jerk stereotypes in order to engage in humble listening across cultural political and generational divides in order to develop true unity in diversity Jessica Udall Author of Loving the Stranger Founder of LovingTheStrangerBlog com Contact is jam packed with intriguing history some you will recognize some you may discover here for the first time and narratives about the impact of human contact This book comes at an important time in our timeline of humanity as we grasp the impact of social media and grapple with what it means to be truly connected Justin Velten PhD President Go Culture International

Unwelcome Strangers David M. Reimers, 1998 Charting the history of US immigration policy from the Puritan colonists to World War II refugees this text uncovers the arguments of the anti immigration forces including warnings against the consequences of overpopulation and economic concerns that immigrants take jobs away from Americans

Compassion Or Compulsion Linda Gorman, 1995-05

Dignity and Justice Linda Dakin-Grimm, 2020 Through stories of real children and families Dignity and Justice explores the issue of migration to the southern border of the United States and why including the historical social legal and political dynamics It highlights the almost insurmountable legal hurdles they face if they actually reach their destination and defines and encourages a Catholic response to this heartbreaking situation

Migrants and Citizens Tisha M. Rajendra, 2017-08-15 In all the noisy rhetoric currently surrounding immigration one important question is rarely asked What ethical responsibilities do immigrants and citizens have to each other In this book Tisha Rajendra reframes the confused and often heated debate over immigration around the world proposes a new definition of justice based on responsibility to relationships and develops a Christian ethic to address this vexing social problem

There Goes the Neighborhood Ali Noorani, 2019 A leading advocate for immigration reform interviews a wide range of citizens from communities throughout the nation to gauge the level of acceptance of new immigrants This compelling approach to the immigration debate takes the reader behind the blaring headlines and into communities grappling with the reality of new immigrants and the changing nature of American identity Ali Noorani the Executive Director of the National Immigration Forum interviews nearly fifty local and national leaders from law enforcement business immigrant and faith communities to illustrate the challenges and opportunities they face From high school principals to church pastors to sheriffs the author reveals that most people are working to advance society's interests not exploiting a crisis at the expense of one community As he shows some cities and regions have reached a happy conclusion while others struggle to find balance Whether describing a pastor preaching to the need to welcome the stranger a sheriff engaging the Muslim community or a farmer's wind whipped face moistened by tears as he tells the story of his farmworkers being deported the author helps readers to realize that America's immigration debate isn't about policy it is about the culture and values that make America what it is The people on the front lines of America's cultural and demographic debate are Southern Baptist pastors in South Carolina attorneys general in Utah or Indiana Texas businessmen

and many more Their combined voices make clear that all of them are working to make America a welcome place for everyone long established citizens and new arrivals alike Especially now when we feel our identity culture and values changing shape the collective message from all the diverse voices in this inspiring book is one of hope for the future Now in paperback with a new preface **Trails of Hope and Terror** Miguel A. De La Torre, 2009 A conversation on the challenges of immigration that includes the voices of recent immigrants the documented and undocumented A combination of analysis story and artistic expression opens up the complexities of immigration for undergraduates and for all Christians De la Torre s goal is to initiate a civil conversation that can replace the politics of fear that now dominates discussions of immigration

The Immigration Debate John Isbister, 1996 Attempts to debunk some of the myths surrounding immigrants and their place in the work force arguing that their advantage lies in their work ethic

Embracing the Beat of Term: An Emotional Symphony within **Welcoming The Stranger Justice Compassion Truth In The Immigration Debate**
