**Pattern Breakers** Mike Maples Jr, Peter Ziebelman, 2024-07-09 Based on extensive research and real world examples this book upends accepted wisdom about how to achieve success when launching a startup or creating a new product The most important start up book of the last ten years Steve Blank co creator of the Lean Startup movement The breakthrough concepts of Pattern Breakers come from the observations of Mike Maples Jr a seasoned venture capitalist who noticed something strange Start ups like Twitter Twitch and Lyft had achieved extraordinary success despite their disregard for best practices In contrast other startups deemed highly promising often failed even when they seemed to do everything right Seeking answers Maples and coauthor Peter Ziebelman set out to discover the hidden forces that drive extraordinary start up success Pattern breaking success they reveal demands a different mindset and actions to harness developments others miss or that may at first seem crazy Pattern Breakers is filled with firsthand storytelling about initial interactions with some of the most transformative start ups of recent times Maples and Ziebelman challenge us to rethink how to transcend the ordinary and achieve the extraordinary

Large-Scale Victimisation as a Potential Source of Terrorist Activities U. Ewald, K. Turković, 2006-12-19 This publication presents a subject that is unfortunately as significant today as it was two years ago Sadly this continuing relevance seems to confirm the views of the German radical pacifist Kurt Tucholsky who stated in response to the atrocities and sufferings of WWI But men never ever learnt from history and they will not do so in the future Hic Rhodus Recent events in Iraq the Middle East East Timor or the Democratic Republic of Congo and possible links regarding issues of terrorism raise the question what criminological and victimological research offers in assisting to break vicious spirals of ignorance of gross human rights violations and the immense human sufferings in the context of armed conflicts and terrorism The answer to this question still remains open Yet this publication confirms the substantial willingness to learn from the past by critically reviewing large scale victimisation arising out of protracted conflicts in order to better understanding the necessary prerequisites for enduring peace making in post conflict societies and to anticipate and suggest approaches to healing victimising effects
