*A Brain Tumor Changes Everything* Jan Woltmann, 2021-03-08 What would you do if an inoperable tumor occupied the brainstem of your young adult son What would your next steps be How would you begin to pray In 2011 Jan Woltmann's twenty one year old son Nate was diagnosed with brain cancer the cancer was lethal the situation tragic and hope gone Medical science did everything possible through aggressive radiation and the strongest chemotherapy to delay the tumor's advance even as Jan and her husband slipped deeper into darkness and grief The couple did all the things parents do in the wake of heartbreak they wept ached prayed and planned for the worst loss imaginable This is a story about suffering that sets a place for you at the kitchen table around the Christmas tree and inside the waiting rooms at CancerCare This is a story for old souls those for whom life has ripened either suddenly or over time and who find themselves in search of life's mystery and meaning in the midst of sorrow Following a compelling medical narrative and textured by contemplative Christian thinkers *A Brain Tumor Changes Everything* speaks the language of grief seeks the presence of mercy and finds the surprise of God

*Chill Factor* David Paitson, Craig Merz, 2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It's a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991-99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city's own NHL franchise *Chill Factor* follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill *Chill Factor* takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill's reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times
