**Crafting the Customer Experience For People Not Like You** Kelly McDonald, 2012-10-09 Deliver a better business experience for every kind of customer. A one size fits all approach to customer service is no longer viable. Businesses competing on service need to understand and cater to customers racial ethnic religious generational and geographic differences in order to meet or exceed customers service expectations. Crafting the Customer Experience to People Not Like You shows how companies brands and products struggling to differentiate themselves in a sea of sameness can foster long term loyalty and brand preference with exceptional and customized customer service. A detailed guide to core customer groups including women the five generations matures Boomers Gen X Gen Y and Gen Z racial and ethnic segments such as Hispanics and African Americans as well as those who are defined by key lifestyle and life stage attributes. Includes consumer insights that will help business leaders deliver a better business experience with every customer. You cannot control the economy the stock market or the costs of goods and labor. But you can control your organization's customer service. It's an empowering thought. Customer service is 100% in your control at all times and it's more important than ever.

Journey To Centricity Ilenia Vidili, 2021-11-23 Managers and leaders know that customer centricity means providing positive customer experiences. But what if that's not enough. In the current age where Millennials and Generation Z are shaping the

very fabric of society and business to remain relevant organisations must provide more than occasional good experiences A narrow focus on short termism excessive tech automation and outdated product mentalities are a liability to customer centricity We need businesses that are willing to radically change embrace a long term customer focussed perspective and are able to create value for all stakeholders In Journey to Centricity Ilenia Vidili instils a customer oriented vision from the C suite beyond to transform your day to day operations and culture through three pillars Humanity Make your brand more human by embracing a higher purpose an empathic human touch and sustainable corporate responsibility Technology Apply the necessary tools as enablers to ease of use hyper personalisation and innovation to improve your customers lives Culture Invest effort in changing old style mindsets that improve your culture and fortify your brand to create a place where employees feel motivated valued and appreciated Drawing on B2C practical advice from Ilenia's first hand interviews with leaders of world class organisations such as illycaff Enel Polestar Forrester and Bain Co this book lays out a customer centric framework for thriving in the new era of stakeholder capitalism Receive a powerful call to action to combat old paradigms improve customer focus create value for all stakeholders and contribute to a sustainable business world There has never been a more critical time for change Transform your mission into a journey to centricity
