Memories Anna Wang,2019-03-15 Inconvenient Memories is a rare and truthful memoir of a young woman s coming of age amid the Tiananmen Protests of 1989 In 1989 Anna Wang was one of a lucky few who worked for a Japanese company Canon She traveled each day between her grandmother s dilapidated commune style apartment and an extravagant office just steps from Tiananmen Square Her daily commute on Beijing s impossibly crowded buses brought into view the full spectrum of China s economic and social inequalities during the economic transition When Tiananmen Protests broke out her Japanese boss was concerned whether the protests would obstruct Canon s assembly plant in China and she was sent to Tiananmen Square on a daily basis to take photos for her boss to analyze for evidence of turning tides From the perspective as a member of the emerging middle class she observed firsthand that Tiananmen Protests stemmed from Chinese people s longing for political freedom and their fear for the nascent market economy an observation that readers have never come across from the various accounts of the historical events so far
