Editors Justine Orlovsky-Schnitzler and KC Hysmith along with an expansive list of contributors across multiple disciplines and within different research areas explore Pleasant Company American Girl's parent corporation and the social and cultural impact the dolls and broader American Girl universe continue to have for generations of American consumers through thoughtful and fun essays. This collection serves as an ode to the democratizing power of the internet and the intoxicating power of nostalgia while also looking toward the future as the eldest American Girl fans become parents themselves. It is also a critical account of the ways in which American Girl has shaped senses of self-worth and hopes for the future, securing a base of lifelong consumers and also serves as a love letter to the kids we collectively used to be. Along the way, readers will take seriously American Girl's influence and place within larger cultural conversations. They will find essays focusing on topics as diverse as food and historical recipes in American Girl publications, the advent of tag yourself memes, the struggle to find authentic and long-lasting Asian American representation within the pages of the American Girl catalog, and the enduring power of *The Care and Keeping of You* as a resource for finding joy in our bodies. **The**

Congregationalist and Christian World, 1905 *The American People* Gary B. Nash, 2006 In this enchanting picture book, Stella and Sam are spending the day at the beach. Stella has been there before and knows all the sea's secrets, but Sam has many questions. Does a catfish purr? Does a sea horse gallop? Stella has an answer for them all. The only thing she isn't sure of and neither are we is whether Sam will ever come into the water. Exquisite watercolors bring a day at the beach alive in this perfect summer story. Gently humorous, *Stella Star of the Sea* also captures the special relationship between a young girl and her baby brother, a responsibility that can be both lots of fun and very trying. **Daily Report**, 1989 **The Presbyterian**, 1909 **The Journal of Southern History** Wendell Holmes Stephenson, 2005 Includes section Book reviews
