Eight Days Teresa Toten, 2022-01-04 Governor General's award winning author Teresa Toten's story about one girl's transformative eight day road trip to retrieve her mother's body How do you face a heartbreaking past One day at a time Or as Aggie says one crisis at a time In Teresa Toten's compelling new novel *Eight Days* Samantha finds out that the mother she thought had died years ago has actually just passed away

Added to this charged secret is her recovering alcoholic grandfather's strange behaviour and sudden insistence that he take Sami back to Chicago to retrieve her mother's body. Luckily Sami's beloved neighbour and surrogate mother figure Aggie insists on coming on the road trip bringing along her quirky sense of humour and fantastic wig collection. The eight day journey takes us from Toronto to Chicago and back again as Sami, an American living with her grandfather in a Muslim dominated apartment complex in Toronto, struggles to find out who she is and where she belongs. Infused with warmth and love even as family struggles and secrets are torn open, *Eight Days* is ultimately about forgiveness and strength in community. It is truly a novel for our times. Shattered Glass Teresa Toten, 2015-09-29

Toni has always had nightmares about fire and she also has burn scars but no idea how she got them. So when fire destroys the orphanage she has grown up in, she is ready to make her way to Toronto where she hopes to discover the truth about the mother she believes hurt and then abandoned her. Toronto proves to be both daunting and exciting for Toni whose charm and innocence attract attention not always positive wherever she goes. Buoyed by the music she hears at the folk club where she finds a job and encouraged by her glamorous landlady, Toni unearths shocking information that contradicts everything she believes and makes her re-evaluate what she feels for all the new people in her life. Part of the *SECRETS*, a series of seven linked novels that can be read in any order. **I'm Good and Other Lies** Bev Katz Rosenbaum, 2021-09-25. Is it asking too much to live a typical twelfth grade existence? Kelsey Kendler just wants to earn some money for university, hang out with friends, maybe even snag a boyfriend. But her pill-popping mom and distant dad scare off anybody she tries to bring home, making those last two things feel impossible. Her part-time ice cream shop job's a slog, but at least there she can escape her parents' constant fighting until the COVID-19 pandemic forces a lockdown and she's stuck at home with them 24/7. As the lockdown takes its toll on Kelsey's mental health, she starts to see the appeal of her mom's pills. She hates what they do to her mom, but numbing herself to the world seems like a pretty good idea right about now. Horrified to find herself following in her mom's footsteps, she can only hope she'll eventually figure out some other way to cope. **The Times Index**, 2001. Indexes the Times and its supplements.
