**American Book Publishing Record** ,2006 **The Effects of Trauma** Jim Banks,2011-03 The following book describes a prayer tool that I stumbled across in late 2009 by putting pieces of the teachings of three of God s faithful servants together and adding a couple of others steps The power of it to virtually eliminate many of the symptoms that victims of trauma complain of has proven to be nothing short of miraculous Over the last 25 years of praying for physical and emotional healing I have prayed numerous prayers that at least in my estimation availed little But the last 400 or 500 folks or so that I have ministered this over have experienced relief that has been both instantaneous and up to this point permanent I am also happy to report that the recipients have experienced some significant results after having been prayed over in groups of 25 to 175 persons **Healing the Heart** Latina Campbell,2024-12-07 Healing the Heart Overcoming Emotional Trauma Through Faith in God is a powerful guide to finding emotional wholeness through God s grace and love In this book the author provides a step by step journey of how to overcome the deep pain of emotional trauma by turning to God as the ultimate source of healing Drawing from Scripture personal testimony and practical wisdom each chapter helps readers confront their pain renew their minds and discover the restorative power of God s presence Whether you ve experienced loss betrayal abuse or deep emotional wounds this book offers hope guidance and tools to walk through the healing process From understanding the nature of trauma and forgiving others to rebuilding your identity in Christ and serving others in ministry

The Effects of Trauma and How to Deal with It Jim Banks,2018-07-31 Over the last 30 years of praying for people for physical and emotional healing I have prayed numerous prayers that in my estimation provided little in the way of relief But the last 6 000 folks or so that I have prayed for using the prayer contained in this book have experienced both profound and permanent results It works just as well when prayed over groups as it does over individuals and it even works from a CD when played over folks who don t even speak English An audio version of the prayer on Youtube com has been downloaded over 1 000 000 times Jim Banks was trained in electrical engineering but after working for a consulting engineering firm in Houston TX for three years he found that design engineering was no longer what he had in mind for his life He moved into technical sales and marketing for industrial control manufacturers and rose to Director of Sales and Marketing for a couple of firms In 1980 he met and married Pat who worked as an executive trainer for Southwestern Bell In spite of how they were employed they ministered part time nights and weekends to the broken and hurting until they went into ministry full time in 2002 following a move to Asheville NC where they founded House of Healing Ministries They now minister to the broken locally as well as travel extensively to train others to fill their shoes
