**Demons Nephilim Angels** Etienne M. Graves Jr., 2014-04-07 In Demons Nephilim and Angels Etienne explains how Satan his demons fallen angels aliens and the giant Nephilim originated and have infiltrated the original earth the chaotic earth the restored earth and the world that we live in The original earth was a spiritual world that included Lucifer the angels cherubs seraphim and other created beings and heaven God created Lucifer and the angels to

serve Him Lucifer was determined to exercise his will to sit on Gods throne He wanted to be God and not a servant of God Lucifer was a hybrid being half man and half angel He was the cause of the chaotic earth In the chaotic earth God was angry with Lucifer for trying to take His place and tampering with the genes DNA of the other creatures that lived on the earth and the planets at that time God destroyed the earth and Rahab where Lucifer was king with a flood and turned it upside down and in darkness Lucifer was kicked out of heaven and demoted to the prince of the power of the air After God restored the earth and recreated it He made mankind in His image Lucifer detests mankind and wants to alter our DNA    **Fear Not**  
Simon van Bruchem,2020-11-02 Angels demons and evil spirits often populate the pages of the Bible We are tempted to either dismiss them as imaginary or be afraid of what might go bump in the night The truth is that these supernatural aspects of the Bible are real and important God has revealed them to us in his Word so that we can better understand the universe and the power of Jesus We live in a world where scary movies have supernatural themes and where fortune tellers and mediums have moved into mainstream culture It is important that Christians are properly informed in how to think about these things to have the understanding to adequately explain the supernatural aspects of the Bible and this world Fear Not will help you understand what the Bible has to say about angels demons evil spirits and spiritual warfare including addressing questions like Are angels real Do they have power How does Satan work in the world Should Christians be afraid of Satan Can Christians be possessed by evil spirits Are Christians called to engage in spiritual warfare How should Christians think about fortune telling witchcraft and other occult practices Too many books on this topic speculate about what might be out there ending up more like fiction than truth Others are full of anecdotes and subjective stories of personal experiences with the unseen world This book is different Instead of speculating about what might be out there we look carefully to see what God has revealed to us in his Word This book explores what the Bible has to say about these supernatural themes both in the Old and New Testaments Fear Not explains passages systematically and logically looking at both direct and indirect supernatural references and unpacking challenging sections Only when we have seen what God has told us can we draw correct conclusions about this world we cannot see The core message of the Bible is that Jesus is truly the Saviour and Lord Evil spirits and Satan are not figments of the imaginations of an ancient superstitious people they are realities that can and should scare us if we don t trust in Jesus Christians however can have great confidence that our King Jesus is Lord even of the things we cannot see    **The Reality of the Kingdom of Demons** Dr. H. Clifton Black,2014-07-03 Spiritual warfare is not a game and the devil is not an innocent puppy He is the master deceiver thief and murderer and the force behind nearly all evil He is full of all kinds of cruelty pain curses and blight known to the human family To survive his attacks you must realize that the devil is a real enemy hell bent on destroying you I challenge you to get serious today about determining methods to rebuke him and keep him from hindering your service to the Lord Where did Satan come from Did God create the Devil Is God responsible for evil Such questions plague the individual who wrestles with the existence of our

adversary in the light of the Bible s revelation of the holiness of God Philosophy can never give a satisfactory answer to these questions The only satisfying answer is God s answer found in his Word If we are going to combat this enemy known as Satan then we must know his motives and his methods Our goal in this book is to resolve this and answer many other questions as we talk about every believer s responsibility in spiritual warfare     *A Strong Delusion* Mark G. Toop,2018-01-03

A Strong Delusion is a result of thousands of hours of research over many years into the direct and indirect influence and manipulation of Satan and fallen angels upon human history pertaining to both pre flood and post flood eras Journey to uncover revelations within God s Word many not commonly taught in Christian institutions or on Sunday mornings Drill deep into the Word of God through many Hebrew and Greek word translation origins Discover what Jesus really meant when He stated in Matthew 24 37 But as the days of Noah were so shall also the coming of the Son of man be What was the exact reason God found it necessary to destroy the majority of life forms on Earth What are the exact origins of fallen angels and demons Is modern society being set up for greatest deception since the ultimate lie told at the Garden of Eden is the world under A Strong Delusion Answers to these ultimate questions and many more await The facts are presented You decide

*Exploring Secrets of the Heavenly Realm: Mysteries of the Second Heaven Explained* Bruce Hines,2018-11-10 The most advanced book on Spiritual Warfare to date Vol 1 of a series Learn the difference between demon and Fallen Angels The beginning of this book is a complete guide to Spiritual Warfare Then Bruce Hines moves to detail a vast group of Fallen Angels and demonic spirits that

have a highly structured organization of levels and grades according to numbers Within this hierarchy they are organized as a kingdom of four different dimensions in the Second Heaven These different Fallen Angels within each of the four dimensions have descending orders of authorities and different rulers and sub rulers according to grade and number responsible for different areas of authority in the Second Heaven which rule over the earth through the minds of mankind This multi leveled kingdom of Fallen Angels has hordes of demonic spirits who work for them The Fallen seek to create environments in which they exercise a dominating influence through demonic activity The Bible speaks of the Fallen Angels as the corner point or the start of something They are pictured as military leaders of demonic realms The Bible labels them as thrones dominions principalities and powers They have far superior power than demonic forces and have particular roles in controlling the destiny and activities of human beings This book is the first of a series on how to defeat Fallen Angels and

demonic forces that work for them It assumes the reader knows about spiritual warfare but it was written to advance the one who knows very little about spiritual warfare This series is a must read for every intercessor and recommended for everyone in the body of Christ     *An Evil Agenda* Charlotte L.
