**The Twentieth-Century American Fiction Handbook** Christopher MacGowan, 2010-12-21 THE TWENTIETH CENTURY AMERICAN FICTION

Accessibly structured with entries on important historical contexts central issues key texts and the major writers this Handbook provides an engaging overview of twentieth century American fiction Featured writers range from Henry James and Theodore Dreiser to contemporary figures such as Joyce Carol Oates Thomas Pynchon and Sherman Alexie and analyses of key works include The Great Gatsby Lolita The Color Purple and The Joy Luck Club among others Relevant contexts for these works such as the impact of Hollywood the expatriate scene in the 1920s and the political unrest of the 1960s are also explored and their importance discussed This is a stimulating overview of twentieth century American fiction offering invaluable guidance and essential information for students and general readers

*Handbook of the American Novel of the Twentieth and Twenty-First Centuries* Timo Müller, 2017-01-11 Increasing specialization within the discipline of English and American Studies has shifted the focus of scholarly discussion toward theoretical reflection and cultural contexts These developments have benefitted the discipline in more ways than one but they have also resulted in a certain neglect of close reading As a result students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s much of which relies on dated methodological and ideological presuppositions The handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate from James s The Ambassadors to McCarthy s The Road These readings do not revert naively to a time before theory Instead they distil the insights of literary and cultural theory into concise introductions to the historical background the themes the formal

strategies and the reception of influential literary texts and they do so in a jargon free language accessible to readers on all levels of qualification **Twentieth Century American Fiction** Grant L. Voth,1983 A History of American Literature 1900 - 1950 Christopher MacGowan,2024-05-13 A look at the first five decades of 20th century American literature covering a wide range of literary works figures and influences A History of American Literature 1900 1950 is a current and well balanced account of the main literary figures connections and ideas that characterized the first half of the twentieth century In this readable highly informative book the author explores significant developments in American drama fiction and poetry and discusses how the literature of the period influenced and was influenced by cultural trends in both the United States and abroad Considering works produced during America s rise to prominence on the world stage from both regional and international perspectives MacGowan provides readers with keen insights into the literature of the period in relation to America s transition from an agrarian nation to an industrial power the racial and economic discrimination of Black and Native American populations the greater financial and social independence of women the economic boom of the 1920s the Depression of the 1930s the impact of world wars massive immigration political and ideological clashes and more

Encompassing five decades of literary and cultural diversity in one volume A History of American Literature 1900 1950 Covers American theater poetry fiction non fiction memoirs magazines and literary publications and popular media Discusses the ways writers dramatized the immense social economic cultural and political changes in America throughout the first half of the twentieth century Explores themes and influences of Modernist poets expatriate novelists and literary publications founded by women and African Americans Features the work of Black writers Native Americans Asian Americans and Jewish Americans A History of American Literature 1900 1950 is essential reading for all students in upper level American literature courses as well as general readers looking to better understand the literary tradition of the United States

**The Oxford Handbook of Twentieth-century American Literature** Leslie Bow,Russ Castronovo,2022 A collection of essays situating twentieth century American literature in a global frame This volume reads US literature through the a range of critical lenses including critical race and indigenous studies disability and care studies environmental criticism gender analysis and media studies

**Twentieth Century American Novels** William Lyon Phelps,1927 The Oxford Handbook of Nineteenth-Century American Literature Russ Castronovo,2012-01-30 How do we approach the rich field of nineteenth century American literature How might we recalibrate the coordinates of critical vision and open up new areas of investigation To answer such questions this volume brings together 23 original essays written by leading scholars in American literary studies By examining specific novels poems essays diaries and other literary examples the authors confront head on the implications scope and scale of their analysis The chapters foreground methodological concerns to assess the challenges of transnational perspectives disability studies environmental criticism affect studies gender analysis and other cutting edge approaches The Oxford Handbook of Nineteenth Century American Literature is thus both critically incisive and

sharply practical inviting attention to how readers read how critics critique and how interpreters interpret It offers forceful strategies for rethinking protest novels women s writing urban literature slave narratives and popular fiction just to name a few of the wide array of topics and genres covered This volume rather than surveying established ideas in studies of nineteenth century American literature registers what is happening now and anticipates what will shape the field s future
