## **The Underground Church Reclaiming The Subversive Way Of Jesus:**

**The Underground Church** Robin Meyers,2012-11-15 A new way to follow Jesus that draws on old ways of following him Prominent progressive writer speaker and minister Robin Meyers proposes that the best way for the faithful to recapture the spirit of the early Christian church is to recognize that Jesus following was and must be again subversive in the best sense of the word because the gospel taken seriously turns the world upside down No matter how the church may organize itself or worship the defining characteristic of the church of the future will be its Jesus inspired countercultural witness **Remnant Christianity in a Post-Christian World**

W. Paul Jones,2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative

Queering Christianity Robert E. Shore-Goss,Thomas Bohache,Patrick S. Cheng,Mona West,2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices

**Meeting Jesus the Christ Again** Robert Chesnut,2017-06-20 The religion of Jesus or the religion about Jesus The cross as Christ s atoning sacrifice or as a courageous prophetic martyrdom With a pastoral prophetic voice and insights derived

from a lifetime in parish ministry and theological education Meeting Jesus the Christ Again encourages the reader to rethink these and other hotly disputed issues of Christian faith Taking a big picture perspective and seeking common ground Chesnut points us toward a neo classical faith This engaging book calls us back to the vital center of historic Christian faith

*Being Christian in the Twenty-First Century* Sam Gould,2017-07-11 Being Christian in the Twenty first Century was written to help struggling and doubting Christians develop an understanding of Christianity that avoids literalism creeds and doctrines all factors which seem to be driving people away from the church The book is well suited for individual or group study complete with a study guide and sample lesson plans It responds to the call for theological reform advocated by many contemporary clergy and religious leaders Being Christian does not restate orthodox positions or drift into fundamentalism or sentimentalism Instead it draws from a broad base of historical theological archaeological and sociological scholarship to place Scripture within its original context yet present it within a perspective suitable for the twenty first century mind Being Christian is scholarly yet readable interesting and often provocative One reviewer put it this way the book reminds me of a baseball pitcher with a long wind up and a hard fastball getting better in every inning By building upon progressive thought available today and throughout history it offers an important resource for Christians and would be Christians seeking a more fulfilling and thoughtful faith journey

**The Resurrection Fact** John J. Bombaro,Adam Francisco,2016-10-31 In the first century the resurrection fact faced both Jewish and Greek audiences with a challenge the challenge of a new reality Christ the risen Lord Since facts are by definition something that happened and this happening was witnessed proclaimed and recorded the fact stands for all generations In answering critics a defense of the resurrection consists not only of a response by way of negation e g Christianity is not this but also through positive affirmations this is Christianity In this book the reader will find both However it is our hope that the final word retained would be the one that stands for something rather than against something Together our words stand for something positive not negative namely the good news that the one true God has now taken charge of the world in and through Jesus and His death and resurrection

**Bullied!** Todd Kingrea,2016-06-28 Bullying It s an issue that has taken on renewed emphasis in our electronically connected social media world We re more aware than ever that bullying happens in many places in the workplace on professional sports teams in schools and on social media Everyone from supermodels to students and CEOs to celebrities is taking a stand against bullying in all its forms Finding solutions to the problem has become an important part of our cultural conversation However there s one place in society where bullying continues unchecked where it is rarely confronted and often covertly rewarded The church Pastors staff and church members experience bullying with alarming regularity It does as much damage as bullying anywhere else It s a prime reason why many churches remain ineffective in decline or dying Using the letter of 1st Corinthians as a guide and the church in Corinth as an example Bullied takes a blunt unflinching look at six internal reasons why our churches are in trouble and offers avenues of renewal and hope With this resource you can help your church address

what's holding it back and be part of a solution that brings new life and vitality     *Leader Reader* David W. Jones, 2015-02-15

Sweeney, 2014-01-07 A thousand years ago the church experienced a time of tremendous upheaval called the Great Schism The one faith became two churches East and West and the course of world history was forever changed And it all swirled around one Latin word in the Nicene Creed filioque that indicated the Holy Spirit proceeded both from God the Father and from the Son From the time that phrase was officially instituted onward the Holy Spirit's place in the Trinity and role in the lives of believers would be fiercely debated with ramifications being felt through the centuries to this very day In this fascinating book readers will encounter not just the interesting historical realities that have shaped our faith today but also the present resurgence of interest in the Holy Spirit seen in many churches across the theological spectrum Tickle and Sweeney make accessible and relevant the forces behind the current upheaval in the church taking readers by the hand and leading them confidently into the Age of the Spirit

Canada Mission, Wurmbrand, Richard, 199?     Preparing for the underground church Richard Wurmbrand, 197?     **Cover-up** Lawrence Goudge, 2012 The Christian church hides a multitude of secrets it is after all a mysterious religion For instance what if Jesus did not start Christianity What if Paul who knew Jesus only through visions created it In Cover Up author and lay minister Lawrence Goudge disputes the Christian theology that has dominated the world for millennia Goudge who has spent more than twenty

four years researching the suppressed history of Jesus's Jewish followers demonstrates how the church has corrupted Jesus's message. Cover Up takes an innovative and investigative approach to Christianity. St. Paul's credibility and ways in which theological truths have been concealed for two thousand years. Goudge's analysis debunks the myths and provides alternative theories. A's hatred and heresy haunt Christianity's shadows. This study addresses the intolerant nature of the Christian church and sets out to right the wrongs by bringing the truth about the Nazarenes into the light of day. Goudge's message presents hope for a just world.

**The Underground Church: a Form of Sect Behavior** Betsy Westhoven, 1970

**The Jesus Cult** Gary C. Price, 2001-10-01

The Jesus Cult is not a book for everyone. It is written for those both inside and outside the Christian camp who diligently seek the truth and liberation that comes from the True and Living God. This book takes the reader into the spiritual depths of the Holy Scriptures to expose the true spirit behind the deception propagated by religious leaders in the church throughout the ages. The reader of this book will get an understanding of the deception of the devil since before the time of Adam and Eve and how this spirit of deception has infiltrated the church. It is not a text for the weak or feeble only the sharp and discerning will be able to hang on as Pastor Gary C. Price unveils the internal make up of Christendom around the globe. Sadly it is glaringly apparent that multitudes of well meaning Christians and spiritual zealots are bowing down to religious teaching and traditions that keep them soulish and bound to this present world. By exposing this deception my prayer is that every reader will repent and turn away from this destructive system and onto a Spirit led journey to establish a true and intimate relationship with Jesus Christ. Throughout the pages of this book you will see your life depicted in one way or another. The Jesus Cult not only reveals the spirit of deception but also provides Biblical answers for the way of escape. The only way is through Jesus Christ. People it's time to come out of every facet of the world. For too long we have trusted in all of these worldly systems from religion and government to industry and commerce to no avail. We must begin today to rid ourselves of the soulish anchors that bind us to the religious spirit of the Antichrist. Pastor Price's revelation of The Jesus Cult is bold, courageous and uncompromising. His labor in the Word and prayer before the Throne of God has forged in him a prophetic voice to send a clarion call to God's remnant wherever they reside throughout all the earth. Have no doubt about it this book is inspired by the Holy Ghost. Through practical real life and everyday experiences the Spirit of God began to open the eyes of this shepherd. As Pastor Price met people on the streets of Atlanta and dialogued with those who sit on church pews every Sunday the devil's master scheme of deception was clearly exposed. Once he saw the true light he has never wavered from preaching an end time message of truth and power. As men and women have encountered the original Gospel of Jesus Christ they have come out of these religious settings burdened down with demonic weights that plague their souls. They emerge still bound, hurt and in need of intense deliverance. I have seen the effects of the Jesus Cult on too many of God's people to question its validity and reality in our culture. I am thankful for the impact that this book will have on your life as well. Jesus comes to set the captive free.

**The Divine Seed** Pekka Ervast, 2010-08-31

**Secret Societies and Subversive Movements** Nesta Helen Webster,1958      **Beyond Revolution** Thomas C. Oden,1970      **The New World Order of Spiritualism** Nelson Simone RN BSN,2021-01-25 As a child Nelson Simone built a steadfast relationship with Jesus Christ as his savior He was active in the Christian church as a junior minister At times he took on a small speaking role not unlike other children in the church He's been a Christian all his life But at one point in his adult life he was abruptly made aware that walking the straight and narrow path would present many spiritual challenges In The New World Order of Spiritualism he shares the story of traveling through one of the darkest valleys he's ever faced Simone chronicles how at that challenging period God lifted him out of the evil that surrounded him the Lord delivered him at a time when he was unable to see the correct path in life Growing up poor in the mean streets of Los Angeles Simone's testimony is about achieving the impossible even when everything works against you He offers a set of tools and scriptural passages preparing you to face and defeat the schemes the wicked use to lure both unsaved and Christian people into a life of servitude to sin The New World Order of Spiritualism details how scripture protects you from the way of evil men and women
