## **The Unjust Justice The Unjust Justice:**

The Unjust Justice Edward Castle, 2011-12 In his late teens Henry Carmel was stricken with schizophrenia a life altering mental illness characterized by tormenting voices impaired judgment and acute paranoia In 1996 Henry was attacked by a huge dog Fearing for his life he panicked and killed the animal Despite test results and reports supplied by an unbiased veterinary pathologist the corrupt county veterinarian contradicted the pathologist and aggravated the incident with a false theory At the hands of a power hungry deputy district attorney DDA Henry was prosecuted The jury remained unaware of his illness so he was sentenced to prison rather than the hospitalization he needed Expecting acquittal the defense agreed to the nondisclosure of the illness As desired by the DDA Henry was sentenced to serve an exaggerated prison term When his sentence was complete his illness was disclosed He was certified as a mentally disordered offender MDO and kept hospitalized year after year In the years after his trial Henry's condition improved however at annual hearings the DDA and judges ignored Henry's successes and extended his confinement each year This was abusive and unjust No socially accepted rules of ethics were followed The Unjust Justice is the story of a young man who because of the social stigma that prevails over individuals plagued with schizophrenia lost his freedom within an abusive system of injustice Justice of the Peace and Local Government Review ,1874
