Roslin and Gaius Baltar on Battlestar Galactica Eli Stone on Eli Stone and Jaye Tyler on Wonderfalls Though each visionary character explores the possibility of subverting patriarchal religious norms Roslin Baltar and Stone's prophetic roles ultimately privilege patriarchal readings of their narratives but Jaye by avoiding the language symbol systems of traditional religions maintains the fantastic liminal space and thus the potential for subversion even if it is only a possibility in the narrative This thesis seeks to contribute to the scholarship of religious representations in fictional television with a special emphasis on telefantasy
