# The Theology Of The First Letter To The Corinthians

## New Testament Theology

**John Haralson Hayes**

## **The Theology Of The First Letter To The Corinthians New Testament Theology:**

*The Theology of the First Letter to the Corinthians* Victor Paul Furnish, 1999-06-13 This study shows that the common view of 1 Corinthians as mainly about ethics and therefore of little importance for theology needs correcting Furnish argues that 1 Corinthians is an even better place to take the apostle's theological pulse than the allegedly more theological letters to the Galatians and Romans because here it is especially evident how his thinking about the gospel took place within the crucible of his missionary and pastoral labours Paul's complex theological legacy is not a systematic theology or even the basis for constructing a theological system However we come close to the heart of Paul's legacy in his clear sighted identification of the gospel with the saving power of God's love as disclosed in Christ and his insistence that those who are called to belong to Christ are thereby summoned to be agents of God's love wherever in the world they have received that call

*The Theology of the First Letter to the Corinthians* Victor Paul Furnish, 1999-06-13 This study shows that the common view of 1 Corinthians as mainly about ethics and therefore of little importance for theology needs correcting Many other studies of the letter focus mainly on the details of the Corinthian situation and the moral teachings Paul conveyed to his congregation While not ignoring these Furnish's primary aim is to explore and clarify the theological orientation of 1 Corinthians and what it can contribute to an understanding of Paul as a theologian Furnish concludes that 1 Corinthians is important for both ethics and theology

*The First Letter to the Corinthians* Roy E. Ciampa, Brian S. Rosner, 2010-11-09 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life Roy Ciampa and Brian Rosner reveal how 1 Corinthians directly addresses the claims of unity and truth church discipline sexual matters the Lord's supper the nature of love Christian leadership and many other significant topics Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes

*First Epistle to the Corinthians* C. K. Barrett, 2004-11-06 No Marketing Blurb *A Biblical-Theological Introduction to the New Testament* Michael J. Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight

*A Critical Introduction to the New Testament* Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament

become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church s identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church s faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul s decisive influence within the history of the church and western culture   **The First Epistle to the Corinthians** Anthony C.

Thiselton,2000-11-22 This superb volume in the New International Greek Testament Commentary series provides the most detailed definitive and distinctive commentary on 1 Corinthians available in English to date One of the world s most respected Christian theologians Anthony Thiselton here provides in depth discussion of the language of 1 Corinthians presents his own careful translation of the Greek traces the main issues of interpretation from the church fathers to the present and highlights topics of theological ethical and sociohistorical interest today including ethics and rights marriage divorce and remarriage headship gender prophecy and many others No other commentary on 1 Corinthians embodies the wealth and depth of detail presented in Thiselton s work which takes account of nearly all scholarly research on 1 Corinthians and incorporates substantial bibliographies throughout In his commentary Thiselton indeed addresses virtually every question that thoughtful serious readers scholars students pastors teachers may wish to ask of or about the text of 1 Corinthians His work truly offers a fresh comprehensive and original contribution to our understanding of this major epistle and its contemporary relevance   **The First Epistle to the Corinthians** Gordon D. Fee,1987-07-10 Gordon Fee s work on I Corinthians is a contribution to The New International Commentary on the New Testament Prepared by some of the world s leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God

**A Theological Introduction to Paul's Letters** Yung Suk Kim,2011-06-10 In this study Kim explores a new way of reading Paul s letters and understanding his theology with a focus on three aspects of Paul s gospel the righteousness of God faith of Christ and the body of Christ Kim argues that Paul s thought can be best understood by reading these genitives as the subjective or attributive genitives rather than as the

objective genitives The subjective or attributive reading places an emphasis on the subject's participation God's participatory righteousness Christ's faithful obedience to God and the believer's living of Christ's body Using this approach Kim investigates the root of Paul's theology in a wide array of texts and contexts in the Hebrew Bible Second Temple Judaism the Greco-Roman world and Paul's canonical letters In doing so Kim synthesizes Paul's theology and ethics seamlessly balancing the roles of God Christ and believers in Paul's gospel For the website Study Discussion Questions and Sample Syllabus available at <http://youaregood.com/threefoldtheology.htm>

### **The Theology of the Second Letter to the Corinthians**

Jerome Murphy-O'Connor, 1991-05-31 The Second Letter to the Corinthians is one of Paul's most intriguing epistles In reality it comprises two documents In the first Paul cautiously attempts to repair the damage done to his relations with the Corinthians by an earlier letter 1 Corinthians and to deal with the upset caused by the presence in Corinth of rival missionaries from Jerusalem In the second he reacts angrily against an unexpected further deterioration of the situation at Corinth The resonances in the dialogue between Paul and the parties in question cannot be detected easily without some awareness on the reader's part of the social religious and economic situation of the Christian community to which Paul was writing The aim of this book is to integrate such background information into a flowing exposition of the apostle's thought and thus to bring Paul's theology to life by highlighting the complex interplay of factors which prompted him to write in the way he did Father Murphy O'Connor is an experienced New Testament scholar and his lucid survey while providing an accessible introduction to the epistle and its central concerns brings new insights into the relation of Christ to the ministry of the church

### **The Oxford Encyclopedia of the Books of the Bible**

Michael D. Coogan, 2011-12-08 The field of biblical studies is dynamic with new discoveries new methodologies and new perspectives continually enhancing the interpretation of the Bible There is thus a need for an up to date comprehensive authoritative and balanced series of reference works for biblical scholars and students The two volume Oxford Encyclopedia of the Books of the Bible is the first in this series of specialized reference works each addressing a specific subfield within biblical studies The series aims to produce high level scholarly reference works that are accessible and in depth going beyond the basics to provide more specialized coverage Books of the Bible provides a single source for authoritative reference overviews of scholarship on some of the most important topics of study in the field of biblical studies The Encyclopedia contains almost 120 in depth entries ranging in length from 500 to 10 000 words on each of the canonical books of the Bible major apocryphal books of the New and Old Testaments important noncanonical texts and thematic essays on topics such as canonicity textual criticism and translation Books of the Bible has extensive cross references to other useful points of interest within the Encyclopedia and comprehensive lists of abbreviations and an index for ease of use Illustrations of various types supplement the text and enhance its appeal Bibliographies for all entries further add to its usefulness

### **Reframing Biblical Theology**

Daniel C. Fredericks, 2025-08-26 Biblical theology is adequate only if wholly contextualized within the eternal natures of God creation

and history A more thorough awareness of God's eternal design within creation and its history and a fuller perspective on the Messiah's commission avoids significant discontinuities such as universal and redemptive histories the gospels of Jesus and his apostles cross and kingdom of God centers heaven and a new earth and the role of sanctification in the Old and New Testaments This study suggests that God's eternal design for creation and its history subsumes a limited biblical theology that focuses on the solution to the sin problem at the expense of what has always been the eternal practical and productive objective of that solution and its current implications The church can focus on an urgent need for the rescue at the expense of the equally urgent and eternal purpose for that rescue A more comprehensive practical and productive theology of endless creation and its history contextualizes salvation and its eschatological focus by enveloping them as temporary components within God's eternal design

**Exploring the New Testament: A guide to the Letters & Revelation** I. Howard

Marshall,David Wenham,Stephen Travis,Ian Paul,2001 Clearly written and scholarly enriched this text by I Howard Marshall Stephen Travis and Ian Paul introduces the New Testament Letters and Apocalypse A Commentary on the First Epistle to the Corinthians Charles Kingsley Barrett,1968 This is another volume in the distinguished series HARPER'S NEW TESTAMENT COMMENTARIES Professor Barrett's new contribution to the series will be particularly welcomed because of the scarcity of material on the First Epistle to the Corinthians The author describes in his Introduction the situation in Corinth the relations between Paul and the Corinthian Church the authenticity and integrity of the Epistle and its contribution to the development of theology and to our knowledge of the early Church In the commentary he fully interprets each passage of the Epistle and its message Professor Barrett has provided his own translation of the text to complement his commentary and express as accurately and as clearly as possible what Paul said It is his conviction that the Church today needs to discover the apostolic Gospel and through I Corinthians the relation between this Gospel and its order discipline worship and ethics *Trinitarian Interpretation in Light of the Identity of YHWH as the Triune God* Alias K.

Eldhose,2024-01-10 Have you ever wondered how to maintain an understanding of monotheism in light of the Christian understanding of the triune Godhead Have you ever wondered about the identity of YHWH in the Old Testament Have you identified YHWH as the first person of the Trinity as many in the Christian tradition have If so this book is for you Many of the early Trinitarian heresies stemmed from a misunderstanding of YHWH in the Old Testament especially identifying YHWH as one person and not multiple persons This book addresses issues relating to the identity of YHWH in the Old Testament and makes the bold claim that YHWH is multiple persons in the OT and therefore Father is YHWH Jesus is YHWH and the Holy Spirit is YHWH This conclusion is based on sound exegesis of OT NT passages the early Christian understanding of God in the Old Testament and the New Testament's identification of Jesus in the identity of YHWH If identified thus a Christian reading of the entirety of Scripture will take on new meaning resulting in a robust Trinitarian interpretation of Scripture

New Testament, History of Interpretation John Haralson Hayes,2004 A collection of scholarly articles originally published

in the Dictionary of Biblical Interpretation about the interpretation of the individual New Testament books Also included as an appendix are the articles from the Dictionary of Biblical Interpretation about the Biblical Apocrypha and pseudepigrapha The articles have been lightly edited and the bibliographies updated Each article concisely covers the history of interpretation of each New Testament book Stands on the shoulders of previous interpreters of the Scriptures Useful for term papers classroom study Useful in the research and understanding of historical trends in Biblical interpretation The articles on the Apocrypha and pseudepigraph are included in two appendices *The First Epistle to the Corinthians, Revised Edition* Gordon D. Fee,2014-12 This landmark commentary originally published in 1987 has been lauded as the best study available of Paul s theologically rich first letter to the Corinthians Writing primarily for pastors teachers and students Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul s ideas and their larger theological relevance Fee s revised edition is based on the improved updated 2011 edition of the NIV and it takes into account the considerable scholarship on 1 Corinthians over the past twenty five years Fee has also eliminated chapter and verse language totally foreign to Paul s first century letter relegating the necessary numbers for finding things to parentheses

*First Corinthians* David E. Garland,2003-11 Understand 1 Corinthians and the social and cultural world of Corinth Part of the critically acclaimed BECNT series **The Real Royal Family** James E. Schultz,2021-03-26 God made human beings in his image and that is what makes us so valuable Yet there are vastly different ideas of what the image means and how sin affects the image and each of those ideas impacts the claim that the image grounds human value People have treated one another in either horrible or wonderful ways based on their theologies of the image This book examines the logical implications of various image doctrines in the real world Also in Genesis 1 26 27 the image of God is closely tied to the first stated purposes of human life in Genesis 1 28 Yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches To live out our part in God s creation project we need to understand the image of God within the unfolding story Scripture narrates from creation to new creation This book builds a theology of the image of God by situating it firmly in the biblical narrative harnessing the insights of biblical theology and conversing with theologians past and present to form a coherent story of God his children and his creation in this age and the age to come *The Expositor's Bible: The First Epistle to the Corinthians* Marcus Dods,2022-06-03 In The Expositor s Bible The First Epistle to the Corinthians Marcus Dods offers an astute theological exposition that delves into Paul s letter to the tumultuous Corinthian church Dods employs a precise and accessible literary style interweaving detailed exegesis with practical insights making complex theological concepts approachable for both clergy and lay readers Set against the backdrop of early Christian struggles with morality division and spiritual gifts this work positions itself within the broader context of biblical scholarship in the late 19th century a time when rigorous academic analysis of scripture was gaining momentum Marcus Dods was a Scottish theologian and minister whose deep engagement with scripture and pastoral experience greatly informed his biblical

interpretations. His commitment to elucidating the spiritual and moral dimensions of the text reflects not only his theological training but also his desire to apply the ancient wisdom of scripture to the contemporary challenges faced by believers. This contextual approach provides an enriching lens through which readers can appreciate the relevance of Paul's teachings today. I highly recommend *The Expositor's Bible: The First Epistle to the Corinthians* to anyone seeking a profound understanding of Pauline theology and its implications for modern faith. Dods' insightful commentary serves as both an academic resource and a spiritual guide, making it an essential addition to the library of anyone interested in the interplay between scripture and everyday life.

Thank you for reading **The Theology Of The First Letter To The Corinthians New Testament Theology**. Maybe you have knowledge that, people have look hundreds times for their favorite novels like this The Theology Of The First Letter To The Corinthians New Testament Theology, but end up in malicious downloads.

### **The Theology Of The First Letter To The Corinthians New Testament Theology Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Theology Of The First Letter To The Corinthians New Testament Theology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Theology Of The First Letter To The Corinthians New Testament Theology has opened up a world of possibilities. Downloading The Theology Of The First Letter To The Corinthians New Testament Theology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Theology Of The First Letter To The Corinthians New Testament Theology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Theology Of The First Letter To The Corinthians New Testament Theology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to

share their work with the world. However, it is essential to be cautious while downloading The Theology Of The First Letter To The Corinthians New Testament Theology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Theology Of The First Letter To The Corinthians New Testament Theology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Theology Of The First Letter To The Corinthians New Testament Theology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About The Theology Of The First Letter To The Corinthians New Testament Theology Books

**What is a The Theology Of The First Letter To The Corinthians New Testament Theology PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

**How do I create a The Theology Of The First Letter To The Corinthians New Testament Theology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

**How do I edit a The Theology Of The First Letter To The Corinthians New Testament Theology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

**How do I convert a The Theology Of The First Letter To The Corinthians New Testament Theology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or

save PDFs in different formats. **How do I password-protect a The Theology Of The First Letter To The Corinthians New Testament Theology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
