throughout the course in relation to a variety of topics such as divorce custody and state involvement in the family incorporates the latest family law developments with regard to same sex marriage coverage of Troxel regarding grandparent visitation rights custody issues including the revised Uniform Child Custody Jurisdiction Act UCCJA now called the Uniform Child Custody Jurisdiction and Enforcement Act UCCJEA and features expanded coverage of equitable or titled interest in community property the authors integrate new cases throughout the book *Order of the Family: Legal Analysis of Basic Concepts* Endre Nizsalovszky, 1968 *Global Issues in Family Law* Ann Laquer Estin, Barbara Stark, 2007 This book offers broad coverage of the international comparative and transnational legal questions that are increasingly important in the practice of family law It considers global dimensions of the topics covered in an introductory course including marriage divorce establishing parent child relationships parental rights and responsibilities adoption and domestic violence and addresses broader questions of private international law human rights and immigration and asylum rights The book is intended to be accessible to students with no background in family law or international law and also to be challenging for those interested in exploring the fascinating intersection of these two fields **The New Family and the New Property**

Mary Ann Glendon, 1981 *The Law of Marriage* June D. Sinclair, J. Heaton, 1996 The book intend to offer a detailed account of the radical transformation of marriage and the family and of some of the implications for the family law of the interim Constitution *Human Rights: Oxford Bibliographies Online Research Guide* Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In Islamic studies as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Islamic Studies a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of the Islamic religion and Muslim cultures Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com *Rights and Constitutionalism* Dawid Hercules Van Wyk, 1996 This major work written by prominent South African academics is an introduction to the new constitutional order in South Africa It places fundamental rights as affirmed in Chapter 3 of the South African Constitution in a comparative and international context The authors draw heavily on the constitutional experience of countries such as Canada India Germany

and the United States which greatly influenced the drafting of Chapter 3 of the Constitution. The study is shaped by principles that form the foundation of the new order: the supremacy of the Constitution, the notion of a democratic constitutional state and the judicial protection of fundamental rights. The book is divided into four parts. The first deals with constitutionalism, democracy and constitutional interpretation. The second part provides an examination of the historical background of the 1993 Constitution and a description of the principal features of the Constitution. The third part contains an analysis of the key fundamental rights which constitutes the main purpose of the study. Detailed treatment is given to civil and political rights, social and economic rights, the concepts of equality and administrative justice, and the circumstances in which limitations may be imposed on rights. A separate chapter is devoted to the international protection of human rights as directed by Section 35(1) of the Constitution. The final part comprises a bibliography of the works cited in the text following the sequence of the chapters. This is a book which will be of interest to all constitutional law specialists and to many political scientists, particularly those with an interest in constitutionalism and constitutional litigation.

Cardozo Women's Law Journal

, 1995 **The Postdivorce Family** Ross A. Thompson, Paul R. Amato, 1999-04-05. This book analyzes the issues surrounding divorce and its implications for public policy. The authors integrate research and policy perspectives of scholars in various disciplines to focus on the consequences of divorce for children, the parents' responsibilities after divorce, nonresidential parenting and the effects of a high divorce rate in society.
