The Transforming Power Of Grace:

The Transforming Power of Grace Thomas C. Oden, 1993 How does an infinite God relate to finite human beings How does the death of Jesus Christ bring about human salvation How are Christians able to actively address the world's ills while maintaining their citizenship in the kingdom of God These are questions the church grapples with today as it always has Yet according to Thomas C Oden contemporary theology has neglected the church's traditional answer to these questions the doctrine of grace All too often modern theologians either ignore the doctrine of grace or relate it to the achievement of a particular political agenda Oden asserts that only by reclaiming the centrality of grace defined as God's self giving through Jesus Christ in personal encounter with the individual human will can Christian theology be true to the gospel In order to reclaim the doctrine of grace the author reaches back beyond the fragmentation of theology that took place during and after the Enlightenment He draws upon the ecumenical consensus held by early Orthodox Roman Catholic and Protestant theologians councils and creeds regarding this cardinal Christian doctrine By adducing this ancient unity Oden challenges modern assumptions concerning the sources and methods of the theological enterprise and calls contemporary Christians to discern what their forebears in the faith knew to be essential to the gospel that to be a Christian is to be formed nurtured and upheld solely by divine grace

freedom in falling short of God's standard relies on His gift of grace. Unfortunately too many of us forget the free offer. We spend our lives basing our relationship with God on our performance rather than on Him. We see our identity as never being worthy of His love. Isn't it time to stop trying to measure up and begin accepting the transforming power of God's grace? The product of more than 10 years of Bible study Navigator author Jerry Bridges' *Transforming Grace* is a fountainhead of inspiration and renewal that will show you just how inexhaustible and generous God's grace really is. Just Grace Grace Jordan Hamrick, 2016-04-14 *Just Grace: The Transforming Power of God's Amazing Grace in the Life of an Ordinary Woman* is Grace Hamrick's story. A foolish decision made as a teenager had a devastating effect on her and an all-consuming guilt was destroying her eventually putting her on a self-destructive path. This memoir is a story of grace. God's incredible redeeming grace that rescued her. She describes how she came to realize her deep need for God's grace through some of the heart-wrenching circumstances of her life. We live in a world where there is much pain and suffering and it is easy to feel like there is no hope, no future, no way of ever changing. But there is hope and God can and does change people. There is no sin so great He cannot forgive; there is no life so messed up He cannot restore. There is no person so broken that He cannot mend. No one is ever beyond the reach of God's mercy and grace. Grace Hamrick is living proof it is never too late.

The Transforming Power of a Mountaintop Dr. Clark G. Armstrong, 2022-08-02 *The Transforming Power of a Mountaintop* explores life from the vantage point of one particular mountaintop: the Mount of Transfiguration. Dr. Clark G. Armstrong, who has pastored four churches and overseen the planting of fourteen more during forty years of ministry, explores the significance of the transfiguration miracle in the life of Jesus, His disciples, and all Christians, including the readers of this study. The author examines the miracle and uses it as an opportunity to ask questions such as: Have you experienced your own Mount of Transfiguration moment of worship? Why did Jesus need to be on that mountaintop? How did events on the mountaintop confirm Jesus is the Messiah? Over thirty years later, Peter was still overwhelmed by what he saw on the mountaintop when he wrote about it in his second letter. What he draws the most attention to is the affirmation and endorsement of the Son by His Father. His affirmation was nearly the same as it was at Jesus's baptism, except that at the transfiguration the Father added the phrase "listen to him."
