The Transparent Event John P. Cock, 2001-06 from endorsements on back cover A valuable contribution to those who wrestle with enabling the tradition of faith to come alive within the pluriform global community Scholarly comprehensively sourced grounded readable and life addressing At One With the Heart of Creation John P. Cock, Lynda L. Cock, 2003-11 23 Reflections and 26 Pieces of Verse etc COVER REMARKS by Thomas Berry to whom book is dedicated author of *THE DREAM OF THE EARTH* cultural historian and geologist As we awaken in this new millennium to a dynamic hitherto scarcely dreamed of future in every phase of life John Cock's latest book sounds a clarion call for our participation in the great enterprise of enhancing communion between the human and the other than human components of the sacred earth community *MASTER IMAGE* A book about the spirit journey of communion with the power at the heart of creation that motivates us humans to be agents of intercommunion From the INTRODUCTION Section one is about linking our understanding of creation and its interior power to our current human condition the people of this planet are dispirited Yet we are on a spirit journey which is not about me as a person but is about me in relation with all others human and non human The truth we are missing is that spirit happens in the relation between the other and me or spirit happens in the relations of creation In this section we explore spirit's presence in everyday life and the dynamics of the spirit journey In section two How do we begin to deal with the contradiction of our time which is spirit disrelation Answer we become more aware of our experiences of communion with spirit In section three the focus is the mission of creation as mutual care or intercommunion a way to talk about our resolve and action to comprehensively interrelate with and care for creation as it cares for us The change we envision will not come from the ought of sustainability will not come from more democratic governments more economic prosperity or a better educated populace It will come from a more conscious spirit journey of communion and intercommunion of a growing movement of people around the planet **Jesus Christ as Ancestor** Reuben Turbi Luka, 2019-08-31 In this critical study Dr Turbi Luka uses historical theological methodology to engage in detail with Christologies of key African theologians and conventional theological sources for Christology including the church fathers Tertullian and Athanasius as well as modern theologians Turbi argues that existing African Christologies specifically ancestor Christologies are inadequate in expressing the person of Christ as Messiah and saviour the fulfilment of Old Testament prophecies Providing a new approach Turbi proposes an African Linguistic Affinity Christology that explicitly portrays Jesus as Christ in a contextually relevant way for Africans in everyday life This crucial study highlights the need for biblically rooted Christology and for sound theological understanding and naming of Jesus at every level This book also warns the church in Africa and elsewhere to avoid repeating the dangerous christological heresies of the ancient church by remaining faithful to a biblical interpretation and orthodox theology of Christ *Our Universal Spirit Journey* John P. Cock, 2002-06 Cock's fourth book has a creational context for everyone's journey in an age of transformation This book is an exuberant

statement of the all pervasive presence and power of spirit and its ever present support for the Earth Venture and the Human Venture from the Foreword by Thomas Berry noted Earth spokesperson and author The Courage to Lead R. Brian Stanfield, 2012-05-02 To transform society we first need to transform ourselves The Courage to Lead starts from this premise and delivers a strong simple message if you relate authentically to life to yourself to the world and to society you start the process of social change Grounded in more than fifty years of in depth research and practical experience in over thirty nations The Courage to Lead uses a large canvas to paint a vivid picture of leadership in its many forms personal family work organization community Activist stories from around the world demonstrate the profound premise and inspires a deep understanding of leadership This is a book that changes lives These days the complexity of life tends to leave us paralyzed The Courage to Lead will help people move out of their paralysis and invite them to join the ranks of those social pioneers who create what is needed for the 21st century This book speaks to you in a strange language that you do not at first remember but that you will eventually recognize as your mother tongue David Patterson CEO Northwater Capital Management The Courage to Lead provided me with a great deal of guidance and support at a time when I needed to make significant life decisions It also provided me with a framework and a language to better understand who I am where I needed to be and where I wanted to go I recommend this course to anyone who is open to a transformative experience in which one brings many important life questions into focus Garret Keown Teacher in Training Lakehead University 325 University Health Network UHN staff have participated in The Courage to Lead study program over the last five years The fundamental principles in the book align with our belief that everyone can lead from where they stand We think that leadership is not about a formal role or job title but about a philosophy values and attitude in how one approaches life This program has helped staff tap into the leader within themselves and in doing so has supported our mission to deliver excellent patient centered care Irene Wright Senior Development Manager Human Resources University Health Network Books in Print Supplement, 2002 *Picturing Cultural Values in Postmodern America* William G.
