to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant    **The Travels of True Godliness** Benjamin Keach, 2021-03-13 True Godliness being a great stranger to most men and indeed known but by few I shall in the first place before treating of his Travels and of the entertainment he meets with give you a description of him Many persons are subject to so great an error as to take Morality for him same have mistaken Counterfeit Godliness for him and others either through ignorance or malice rail and ignominiously call him Singularity Stubbornness Pride or Rebellion These last declare him not fit to live being a seditious disturber of peace and order wherever he comes yea such a factious and quarrelsome companion that he is indeed the cause of all those unhappy differences divisions troubles and miseries with which the world abounds I conclude therefore that nothing is more necessary than to take off that mask which his implacable enemies have put upon him and clear him of all the slanders and reproaches of the sons of Belial When he is thus made to appear in his own original and spotless innocence it will be seen that none need be afraid of him or be unwilling to entertain him or ashamed to own him and make him their bosom companion Know therefore in the first place that Godliness consists in the right knowledge of divine truths or fundamental principles of the Gospel which all men ought to know and be established in that would be saved Without controversy great is the mystery of godliness God manifested in the flesh justified in the spirit seen of angels preached unto the Gentiles believed on in the world and received up to the glory 1 Tim iii 16 You see from this text that the great truths of the Christian religion are called Godliness Now should any demand to hear more particularly what are those principles of divine truth or fundamentals of the Christian faith which are the essentials of True Godliness I answer 1 That there is one eternal infinite most holy most wise just good and gracious God or glorious Deity subsisting in three distinct persons the Father the Son and the Holy Ghost and these are one that is one in essence 2 That this God out of his great love and goodness hath given us one sure and infallible rule of faith and practice viz the Holy Scriptures by which we may know not only that there is a God and Creator but the manner of the creation of the world together with the design or reason wherefore he made all things and also how sin came into the world and what righteousness it is which God requires to our justification or discharge from the guilt of sin etc viz by a Redeemer his own Son whom he sent into the world There is no other rule or way to know these things so as for men to be saved but by revelation or the sacred records of the holy Scriptures the mystery of salvation being far above human reason and to be known by the natural light in men 3 That our Redeemer the Lord Jesus Christ who is the surety of the new covenant and only Mediator between God and man is truly God of the essence of the Father and truly man of the substance of the virgin Mary consisting of these two natures in one person and that redemption peace and reconciliation are by this Lord Jesus Christ alone 4 That justification and pardon of sin are alone by that full satisfaction which Christ made to God s justice and are apprehended by faith alone through the Holy Spirit 5 That all men who are or can be saved must be renewed regenerated and sanctified by the Holy Spirit 6 That there will be a

resurrection of the bodies of all men at the last day 7 That there will be an eternal judgment that is all shall be brought to the tribunal of Jesus Christ in the great day and give an account for all things done in the body and that there will be a future state of glory and eternal happiness of all true believers and of eternal torment and misery of all unbelievers and ungodly persons who live and die in their sins     *The Travels of True Godliness* Benjamin Keach,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1854 edition Excerpt CHAPTER III THE CHIEF ENEMIES OF GODLINESS Having given a brief account of the origin and early history of True Godliness it may not be amiss before I come to treat of his Travels and his entertainment in these latter days to give a description of some of his chief adversaries that true lovers of Godliness may be aware of them and those who have a mind to be acquainted with him and are hindered from receiving him into their houses may know the cause and reason of it One of the chief enemies of this great favorite of heaven is the Devil nor is there any one that more perfectly hates him Besides him there are two more the Flesh and the World But this general description is not sufficient to discover the great danger men are in by certain emissaries and servants of those grand adversaries whom many are ready to entertain as friends not suspecting their fatal danger I shall therefore That is into the heart The author in all the remainder of his work keeps up this figure H M give you an account of a few of them and tell you their names 1 Unbelief 2 Pride 3 VainGlory 4 Formality 5 Hypocrisy 6 Opposition 7 Heresy 8 Superstition 9 Idolatry 10 Prosperity 11 Persecution 12 Ignorance 13 Blind Zeal 14 FatwHope 15     *TRAVELS OF TRUE GODLINESS* Benjamin 1640-1704 Keach,Howard 1799-1879 Ed Malcom,2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant     *The Travels of True Godliness Illustrated* Benjamin Keach,2019-10-14 After defining godliness and showing its worthy pedigree and antiquity the excellent Benjamin Keach as he was fondly called allegorically personifies Godliness much as Bunyan did Christian He introduces us to more than two dozen enemies of godliness then details Godliness s encounters with several of them including apostasy hypocrisy legalism antinomianism worldliness and Satan We meet in graphic detail the temptations of youth and old age of riches and poverty as well as the joys of contentment
