The True Story Of Andersonville Prison A Defense Of Major Henry Wirz 1908:

The True Story of Andersonville Prison (Civil War Memoir) James Madison Page, 2019-12-18 The True Story of Andersonville Prison represents an important narrative of Andersonville prison in Georgia. The author brings his defense of the prison commander Henry Wirz who was charged by the U S Government and executed after the Civil War. The author's description of the trial, conviction and execution of Wirz is extremely sympathetic and provides an alternative view of the Confederacy in the Civil War.

[The True Story of Andersonville Prison](#) Page James Madison, 2023-07-18 Written in 1908 this book provides a detailed and controversial account of the Confederate prison camp at Andersonville, Georgia during the Civil War. The author who was a prisoner at Andersonville defends the camp's commandant Major Henry Wirz against charges of war crimes. While some of Page's claims have been disputed, the book remains an important historical document that sheds light on a little known aspect of the war. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. The True Story of Andersonville Prison James Madison Page, 2017-11-24 Anyone researching Andersonville should read this very well written book to learn the whole truth about what happened. After the American Civil War, Major Wirz was tried by a military tribunal, found guilty of war crimes and hanged. Forty years later in 1908, Page wrote this memoir to tell and dispel the slanders told about Wirz. Page explains how the prison Wirz was in charge of was designed to hold at most 10,000 prisoners. The population quickly swelled to 30,000 prisoners, overwhelming the South's ability to feed, clothe and house the Andersonville prisoners. Over 13,000 POWs died out of 45,000 prisoners due to disease and diet, and Page claims that Wirz was made a scapegoat to appease the wrath of the families of those who had died. A good read and very different than what is force fed us.

Civil War Talk James Madison Page was born on July 22, 1839 in Crawfordville, Pennsylvania. He served in the Union army as 2d Lieutenant of Company A, Sixth Michigan Cavalry. After participating in many skirmishes and battles including Gettysburg, Page was captured on September 21, 1863 along the Rapidan in Virginia and spent the next thirteen months in Southern military prisons, seven of which were at Camp Sumter near Andersonville, Georgia. After the war, Page was subpoenaed for the war crimes trial of Major Henry Wirz, the former commandant of the prison, but after being interviewed, the prosecution decided not to call him as a witness because his testimony undermined the predetermined guilt of the accused. Having been present at the prison in the summer of 1864 when the atrocities were said to have occurred, Page denied that any of the four murders charged to Wirz had happened, which denial was supported by the fact that the alleged deceased were never named.

After being dissuaded by his sister from joining the ill fated Indian foray in the West under the command of General George Custer Page instead moved to the Montana Territory in 1866 where he worked as a Government surveyor The town of Pageville in Madison County was named in his honor Page spent his final years in Long Beach California where he died in 1924 The True Story of Andersonville Prison was first published in 1908 **The True Story of Andersonville Prison; a Defense of Major Henry Wirz** James Madison Page, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1908 edition Excerpt CHAPTER XI THAT TERRIBLE AUGUST August was a terrible month at Andersonville The heat was terrific and the fatality among the prisoners was something awful Scurvy the most destructive disease that afflicted us was now fearfully prevalent Nearly one half the men were afflicted with it and hundreds were dying daily The first symptoms of the awful disease were generally a soreness of the gums and shortly afterward ulceration set in and unless the malady was checked the teeth became loose and fell out Lieutenant Davis was in command and I believe did all he could with the scant supply of food and medicine at hand to alleviate the condition Notwithstanding the derogatory reports relative to Wirz I heard men say during that awful August I wish that Captain Wirz was back The reader North and South will concede that during the summer of 1864 the Southern Confederacy was on its last legs Its means of transportation was broken in many places and its food and clothing supplies meager and inadequate In fact the whole South was in an impoverished condition Here was the same as a city with a population of over 30 000 souls Some writers put it at 35 000 but at the lowest there were 30 000 prisoners at Andersonville in August 1864 Imagine what it was under the conditions in the South at that time to provide food scant though it was for those thousands It was said at Andersonville and I have during the past fifteen or twenty years read accounts from Southern sources that the Confederate Government during the summer of 1864 asked the Washington authorities to send physicians and hospital supplies for the express use of Union prisoners held in the South they pledged that those supplies would be only for the Union **The True Story of Andersonville Prison: A Defense of Major Henry Wirz** James Madison Page, 2024-01-18 In The True Story of Andersonville Prison A Defense of Major Henry Wirz James Madison Page meticulously unravels the complexities surrounding one of the most notorious Confederate prisons during the American Civil War Adopting a narrative style that blends historical analysis with passionate advocacy Page presents a comprehensive examination of the conditions within Andersonville and the actions of its commandant Major Henry Wirz Filled with primary source documents and firsthand accounts the book situates Wirz within the broader context of wartime exigencies and the rampant scarcity faced by both Union and Confederate forces James Madison Page a scholar of Civil War history and a descendant of soldiers from both sides brings a unique perspective to this text His rigorous research reflects a deep commitment to exploring the moral dilemmas that arise in times of national conflict shaped by his understanding of the complexities of human behavior under duress Page aims not only to illuminate Wirz s story but to

The True Story of Andersonville Prison: James Page,2017-09-10 Author s Preface

DURING the past forty years I have read a number of stories of Andersonville Prison and of Major Henry Wirz who had subordinate charge of the prisoners there Nearly all these histories were written by comrades who were confined there as prisoners of war I do not propose in this work to question the accuracy of their portrayal of the great suffering privations and of the mortality of prisoners of war in Andersonville for these are matters of fact that anyone who was confined there can readily corroborate and can never forget But it has been painful to me since the day I marched from that dismal prison pen September 20 1864 to the present time that my comrades who suffered there and who have written their experiences are to a man wild in their charges that Major Wirz was responsible and that he was the sole cause of the suffering and mortality endured at Andersonville I write about my experiences in Southern prisons during the Civil War not in a spirit of controversy but in the interest of truth and fair play The main purpose of this book is to reduce the friction between the two sections and especially that caused by the exaggerated and often unjust reports of Major Wirz s cruelty and inhumanity to the Union prisoners reports throughout the North at least which have been represented to be gratuitous and willful I am writing not for the purpose of contradicting any comrade who has written before me but to take a like liberty and to tell the story again from the standpoint of my own personal experience Taps will soon sound for us all who passed through those experiences and I am sure that I shall feel better satisfied as I pass down to the valley of death if I say what I can truthfully say in defense of the man who befriended me when I was in the greatest extremity and when there was no other recourse At the close of the war the feeling was so intense in the North because of the suffering and mortality among the prisoners of war at Andersonville that something had to be done to satisfy the popular demand for the punishment of those supposed to be responsible for that suffering and the loss of life among the prisoners and Major Wirz was doomed before he was tried as the party responsible for these results In my prison life of seven months at Andersonville I became well acquainted with Major Wirz or Captain Wirz as he then ranked and as he will be designated hereafter The knowledge I gained of his character during this personal acquaintance leads me to disagree with the conclusions reached by other writers as to the true character of this unfortunate man During all these years it has been a matter of surprise to me that writers like Richardson Spencer Urban and others failed to take into consideration the fact that Captain Wirz was but a subordinate under General John H Winder who was the

prison commander Captain Wirz had charge only of the interior of the stockade and in every way he was subject to the orders of his superior officer Nearly all these writers were soldiers and should have known that obedience to superiors was imperative and hence if there were fault or error in orders or in their execution it was to be charged against the superior and not the subordinate In this work I shall take the stand not only that Captain Wirz was unjustly held responsible for the hardship and mortality of Andersonville but that the Federal authorities must share the blame for these things with the Confederate since they well knew the inability of the Confederates to meet the reasonable wants of their prisoners of war as they lacked a supply of their own needs and since the Federal authorities failed to exercise a humane policy in exchange of those captured in battle

The True Story of Andersonville Prison James Page,2015-05-21 Here is an important prison narrative written by a Northern soldier who was captured in September 1863 along the Rapidan and imprisoned at Andersonville prison in Georgia His account of the conditions he encountered there is of interest but more important is his defense of the prison commander Henry Wirz who was charged by the U S Government and executed after the war for barbarous crimes against humanity He not only contends that the unfortunate officer was unjustly lynched but shows that the Federal authorities must share the blame for Andersonville because of their refusal to exchange prisoners The author s description of the trial conviction and execution of Wirz is extremely sympathetic and provides a welcome alternative to the one sided and distorted picture painted by Yankee historians Classified Catalogue Carnegie Library of Pittsburgh,1914
