The Truth About Tristrem Varick Edgar Saltus,2018-01-14 Excerpt from The Truth About Tristrem Varick A Novel IT is just as well to say at the onset that the tragedy in which Tristrem Varick was the central figure has not been rightly under stood The world ln which he lived as well as the newspaper public have had but one theory between them to account for it and that theory is that Tristrem Varick was insane Tristrem Varick was not insane He had perhaps a fibre more or a fibre less than the ordinary run of men that some thing in fact which is the prime factor of individuality and differentiates the posses sor from the herd but to call him insane is nonsense If he were it is a pity that there are not more lunatics like him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Truth About Tristrem Varick: A Novel* Edgar Saltus,1966-01-01 It is just as well to

say at the onset that the tragedy in which Tristrem Varick was the central figure has not been rightly understood The world in which he lived as well as the newspaper public have had but one theory between them to account for it and that theory is that Tristrem Varick was insane Tristrem Varick was not insane He had perhaps a fibre more or a fibre less than the ordinary run of men that something in fact which is the prime factor of individuality and differentiates the possessor from the herd but to call him insane is nonsense If he were it is a pity that there are not more lunatics like him It may be that the course of conduct which he pursued in regard to his father s estate served as basis to the theory alluded to At the time being it created quite a little stir it was looked upon as a piece of old world folly an eccentricity worthy of the red heeled days of seigneurial France and as such altogether out of place in a money getting age like our own But it was not until after the tragedy that his behavior in that particular was brought up in evidence against him The facts in the case were these Tristrem s father Erastus Varick was a man of large wealth who when well on in the forties married a girl young enough to be his daughter The lady in question was the only child of a neighbor Mr Dirck Van Norden by name and very pretty is she said to have been Before the wedding Erastus Varick had his house which was situated in Waverley Place refurbished from cellar to garret he had the parlor there were parlors in those days fitted up in white and gold in the style known as that of the First Empire The old Dutch furniture black with age and hair cloth was banished The walls were plastered with a lime cement of peculiar brilliance The floors of the bedrooms were carpeted with rugs that extended under the beds a novelty in New York and the bedsteads themselves which were vast enough to make coffins for ten people were curtained with chintz patterns manufactured in Manchester to frighten children In brief Erastus Varick succeeded in making the house even less attractive than before and altogether acted like a man in love

Truth About Tristrem Varick Edgar Saltus,2019-12-13 In The Truth About Tristrem Varick Edgar Saltus crafts a psychological exploration of the human condition through the lens of Tristrem Varick a complex protagonist navigating a tumultuous inner landscape Saltus s distinctive literary style characterized by lush evocative prose and intricate character development immerses readers into a narrative that oscillates between realism and philosophical introspection Set against the backdrop of late 19th century America a time of both social upheaval and intellectual fervor the novel delves into themes of alienation morality and the search for identity masterfully intertwining them with the protagonist s quest for self understanding and meaning in a seemingly indifferent world Edgar Saltus an American novelist and essayist was deeply influenced by his personal experiences and the prevailing cultural currents of his time Born into a privileged family he traveled widely and engaged with various philosophical and literary movements including decadence and existentialism These influences permeate his work particularly in The Truth About Tristrem Varick where Saltus poignantly reflects on the fretting struggles of individuality and societal norms revealing his own quest for truth and artistic integrity Readers seeking a profound examination of existential dilemmas and human psychology will find The Truth About Tristrem Varick an

indispensable addition to their literary repertoire Saltus's ability to blend poetic language with deep philosophical inquiry invites readers to ponder their own truths making this novel not only a compelling narrative but also a reflective journey into the complexities of human existence. In this enriched edition we have carefully created added value for your reading experience. Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read The Truth about Tristrem Varick Edgar Saltus, 1969 The Truth about Tristrem Varick, and Mr. Incoul's Misadventure Edgar Saltus, 2015-01-16

Though any adjective would suit it better than delightful the strongest novel of the past twelve months is Edgar Saltus's The Truth about Tristrem Varick. It is a book for our atrabilious moods when life seems to be all cant and hypocrisy fair at the surface rotten at the core and we long for some one with strength and sincerity enough to reveal the hideous latent truth. These moods pass away and our liking for Tristram Varick may pass with them but not our admiration for the perfection of its style the brilliancy of its epigrams and the exquisite art with which a most repulsive and unpleasant story has been handled Lippincott's Monthly Magazine Current Literature, 1907 The People and the Railways Appleton Morgan, 1888

Decadent Culture in the United States David Weir, 2009-01-01 Decadent Culture in the United States traces the development of the decadent movement in America from its beginnings in the 1890s to its brief revival in the 1920s. During the fin de siècle many Americans felt the nation had entered a period of decline since the frontier had ended and the country's manifest destiny seemed to be fulfilled. Decadence the cultural response to national decline and individual degeneracy so familiar in nineteenth century Europe was thus taken up by groups of artists and writers in major American cities such as New York Boston Chicago and San Francisco. Noting that the capitalist commercial context of America provided possibilities for the entrance of decadence into popular culture to a degree that simply did not occur in Europe David Weir argues that American style decadence was driven by a dual impulse away from popular culture for ideological reasons yet toward popular culture for economic reasons. By going against the grain of dominant social and cultural trends American writers produced a native variant of Continental Decadence that eventually dissipated upward into the rising leisure class and downward into popular commercial culture Fiction, a Finding List of Novels, Stories and Other Forms of Prose Fiction in English for Adults in the Chicago Public Library, January 1, 1921 Chicago Public Library, 1922 Current Opinion Edward Jewitt Wheeler, 1907 The Book Buyer, 1888 Her Strange Fate Celia Logan Connelly, 1888

Reluctant Modernism George Cotkin, 2004-09-15 In the last two decades of the nineteenth century Americans were faced with the challenges and uncertainties of a new era. The comfortable Victorian values of continuity progress and order clashed with the unsettling modern notions of constant change relative truth and chaos. Attempting to embrace the intellectual challenges of modernism American thinkers of the day were yet reluctant to welcome the wholesale rejection of the past and destruction of traditional values. In Reluctant Modernism American Thought and Culture 1880-1900 George Cotkin surveys the intellectual

life of this crucial transitional period His story begins with the Darwinian controversies since the mainstream of American culture was just beginning to come to grips with the implications of the *Origins of Species* published in 1859 Cotkin demonstrates the effects of this shift in thinking on philosophy anthropology and the newly developing field of psychology Drawing on his extensive knowledge of these fields he explains clearly and concisely the essential tenets of such major thinkers and writers as William James Franz Boas Charlotte Perkins Gilman Henry Adams and Kate Chopin Throughout this fascinating readable history of the American fin de si cle run the contrasting themes of continuity and change faith and rationalism despair over the meaninglessness of life and ultimately a guarded optimism about the future *British Museum Catalogue of printed Books ,1895* [An American Vendetta](#) Jackie Lee Hatfield Jr.,2025-02-01 An American Vendetta The Hatfield McCoy Feud Revisited By Theron Clark Crawford with updated material by Jackie L Hatfield Jr Originally published in 1889 *An American Vendetta* by journalist Theron Clark Crawford offers one of the earliest and most vivid accounts of the infamous Hatfield McCoy feud Through firsthand interviews including a rare conversation with Anderson Devil Anse Hatfield Crawford paints a sensational and dramatic portrait of the violence that erupted between these two Appalachian families along the Kentucky West Virginia border This reprint honors the historical significance of Crawford s work while placing it in proper context with newly added material by Jackie L Hatfield Jr the 3rd great grandson of Devil Anse Hatfield Jack s thoughtful commentary and updated insights help readers separate fact from fiction revealing how 19th century media shaped national perceptions of Appalachian people as backward lawless and violent Part historical document part cultural reflection this edition is essential reading for anyone interested in the legacy of the Hatfield McCoy feud Appalachian history or the evolution of journalism and public opinion in post Civil War America With its combination of original narrative and modern perspective *An American Vendetta* is both a gripping read and a valuable educational resource that reclaims the voices and truths of a complex chapter in American history
