Contemporary Fiction Rossella Valdrè, 2017-07-14 Psychoanalytic Perspectives on Women and Power in Contemporary Fiction psychoanalytically examines contemporary fiction portraying the female in a reversal of the stereotyped victim role The recent popularity of powerful female characters suggests that literature is ahead in its understanding the desires fantasies and unconscious emotions of the public This book explores a form of intimacy frequently observed in consulting rooms and in life in general malicious intimacy Specific to the conjugal bond it is a type of intimacy connected to the relationship between the two halves of the couple that is extremely powerful and painful Instead of clinical cases Rossella Valdrè examines four contemporary and widely successful novels published contemporaneously which capture perfectly this type of psychopathological universe Valdrè then maps out psychoanalytic hypotheses regarding the persistency of these malicious intimacies Through analysis of these examples Valdrè investigates the roots and hypotheses of a new scenario on victim executioner roles played out in the intimacy of the couple Exploring how and if the contemporary couple is undergoing profound changes she provides an overview of the various deep seated psychological mechanisms and unconscious dynamics that may be at work The book explores the need to not be dependant upon a love object as an extreme defence against

abandonment or self collapse Valdr argues that such a configuration is very common and that Idealization in contemporary life is one of the reasons behind the most of sufferance in modern couples something which psychoanalysis can examine through art Women perhaps after emancipation are living overturned roles and paying a higher cost as a result Psychoanalytic Perspectives on Women and Power in Contemporary Fiction will appeal to psychoanalysts and psychoanalytic psychotherapists and be of interest to scholars and students of literature gender studies philosophy and sociology *The Truth and Other Lies* Keira Donegan,2014-03-18 The once united nation of Poland now sits divided in two K E I R A D O N E G A N With the country at the mercy of the fi erce dictator two girls battle to escape their camps in search of a new life Emily is fourteen she watched her parents die and works everyday to provide for the wealthy but has no food for herself Ashlee is fi fteen she has watched her friends be drowned and slaves away in the fi elds for hours but barely gets a single grain to eat Together here two girls learn what it means to be a survivor as they fi ght to make the world a better place Live Your Truth and Other Lies Alisa Childers,2022-10-18 Are you tired of feeling like you have to check social media to find out what you re supposed to think Are you weary of the latest self help books that promise to set you free but only imprison you with laundry lists of studies to consider positive affirmations to recite and Facebook groups to join We ve all seen the memes that populate the internet live your truth follow your heart you only have one life to live They sound nice and positive But what if these slogans are actually lies that unhinge us from reality and leave us anxious and exhausted Another Gospel author and Christian apologist Alisa Childers invites you to examine under the light of Scripture modern lies that are disguised as truths in today s culture Everyday messages of peace fulfillment and empowerment swirl around social media On the surface they seem like sentiments of freedom and hope but in reality they are deeply deceptive In *Live Your Truth and Other Lies* Alisa brings refreshing honesty and clarity to hot button issues to help you Uncover the common lies repeated within progressive circles Hold on to the soul restoring truths that God s Word offers Be empowered to live the way your Creator designed you Being the captain of your own destiny and striving to make your dreams a reality is a huge burden that you were never meant to bear Discover true biblical freedom instead The Night We Buried The Truth- Book 1 oludotun coker,2025-11-17 They thought the past was buried But some secrets refuse to stay hidden When a group of old friends reunites after years excitement quickly turns to fear A buried secret from their youth threatens to resurface and strange sightings cryptic messages and a mysterious stranger watching from afar push them to the edge of panic Tensions flare trust shatters and everyone realizes that no one is truly innocent *The Night We Buried the Truth* is a gripping thriller suspense novel that will keep you on the edge of your seat Every whispered accusation every shadowed hallway and every hidden lie brings the friends closer to a truth that could destroy them all This mystery thriller book dives deep into betrayal fear and the dark consequences of secrets kept too long Perfect for fans of psychological thriller fiction it explores how even the strongest friendships can fracture when lies and guilt come to light If you crave dark secrets and betrayal books with shocking twists

And book IV, The real universe** Shadworth Hollway Hodgson,1898 Commentary on the Book of Proverbs: Bible Study Notes and Comments David Pratte,2018-12-26 Bible study notes and commentary on the Old Testament book of Proverbs Emphasizes understanding the text with practical applications Intended to be helpful to all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the conservative viewpoint of faith in the Bible as the absolute inerrant verbally inspired word of God Topics discussed include wise sayings about Wisdom and instruction Speech Anger and control of temper Relations between parents and children Pride **Foundation Myths in Ancient Societies** Naoise Mac Sweeney,2015 Throughout the ancient world origin stories were told across the ancient world in many different ways through poetry prose monumental and decorative arts and performance in civic and religious rituals Foundation myths particularly those about the beginnings of cities and societies played an important role in the dynamics of identity construction and in the negotiation of diplomatic relationships between communities Yet many ancient communities had not one but several foundation myths offering alternative visions and interpretations of their collective origins Seeking to explain this plurality Foundation Myths in Ancient Societies explores origin stories from a range of classical and ancient societies covering both a broad chronological span from Greek colonies to the high Roman empire and a wide geographical area from the central Mediterranean to central Asia Contributors explore the reasons several different sometimes contradictory myths might coexist or even coevolve Collectively the chapters suggest that the ambiguity and dissonance of multiple foundation myths can sometimes be more meaningful than a single coherent origin narrative Foundation Myths in Ancient Societies argues for a both and approach to foundation myths laying a framework for understanding them in dialogue with each other and within a wider mythic context as part of a wider discourse of origins Contributors Lieve Donnellan Alfred Hirt Nao se Mac Sweeney Rachel Mairs Irad Malkin Daniel Ogden Robin Osborne Michael Squire Susanne Turner **Pulpit Fiction** Gregg Powers,Ed Nolan,2018-10-05 Do you get your understanding about God and his plan of salvation from the Bible or from the pulpit If an honest self evaluation reveals that you are relying more on the words of men than the Word of God for your relationship with God and your eternal destiny you need to read this book This book is not written to liberal theologians and Christians who may believe or assume the Bible is not the sole authority on spiritual matters Rather it is written to those who truly believe the Bible to be the literal and inspired Word of God and understand God's plan of salvation to be revealed in biblical truth Unfortunately in much of the modern church the increasing trend is toward teaching the doctrines of men

instead of what the Bible actually says In these times it is critically important that we follow the example of the Bereans who examined scripture to see if what was said is true The result is that many in the pews who think they are on Christ s narrow way that leads to eternal life are being deceived This book tells the truth that every evangelical pastor and Christian should know about what the Bible really says about salvation **Containing book III., chapter VI. and last, The foundations of ethic.
