**The Truth Within You** Wendell Charles Beane,1998 Beginning with a focus on faith and what it means in the human condition the author moves on to the knowledge gnosis of higher realms bringing the reader closer to understanding the Christ Consciousness The many biblical insights included here offer wonder and spiritual food to lead us to deeper thought about faith    *My Eye: a Vision of Christ* Mark Wonser,2011-07-27 The first half of this two part book tells the story of an ordinary boy enriched by his mothers faith yet torn apart by a bitter divorce Maintaining his religious underpinnings Mark struggles through the divorce and graduates from college with a degree in finance This takes him to the Chicago Mercantile Exchange where he makes millions of dollars marries his wife and retires at the age of 36 Shortly after Mark received a Masters degree in Theology setting the foundation for the remainder of his life The first half of the book ends with the death his forth child Kevin which becomes the catalyst for a tremendous spiritual conversion The second half of the book walks the reader through that conversion documenting the steps taken to accomplish it A discussion of physics is used to set up a foundation for further explanations in theology This discussion results in a need to re evaluate the meaning of Mark 8 29 when Jesus asks Who do you say that I am The result is a shift from orthodox religion to a focus on Sophian Gnosticism Time is spent focusing on Kabbalah and The Tree of Life and on a special sign Mark created called the Sign of the Tree Kabbalistic teachings on reincarnation and suffering are explored Mark applies these teachings to his life by leaving the material world behind going to work at a homeless shelter and becoming a hospice volunteer    **Forthcoming Books** Rose Arny,2001-06

**A Dictionary of Christ and the Gospels** James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church
