## **The Twilights Last Gleaming Britain Vs America 1812 1815:**

*The Twilight's Last Gleaming* Kate Caffrey, 1977 Caffrey records the social political and economic scenes on both sides of the Atlantic and introduces readers to the principal players Readers observe the two countries slide and stumble into war as farce The British enter Washington the President flees troops set fire to several buildings steal some flour and leave An American general marches 40 000 recruits to the Canadian border they refuse to cross he marches them home again British and American warships cruise the Great Lakes largely avoiding each other The great battle of the war takes place after the signing of the peace treaty

**The Economic Performance Index (EPI)** Mr. Vadim Khramov, Mr. John Ridings

Lee, 2013-10-23 Existing economic indicators and indexes assess economic activity but no single indicator measures the general macro economic performance of a nation state or region in a methodologically simple and intuitive way This paper proposes a simple yet informative metric called the Economic Performance Index EPI The EPI represents a step toward clarity by combining data on inflation unemployment government deficit and GDP growth into a single indicator In contrast to other indexes the EPI does not use complicated mathematical procedures but was designed for simplicity making it easier for professionals and laypeople alike to understand and apply to the economy To maximize ease of understanding we adopt a descriptive grading system In addition to a Raw EPI that gives equal weights to its components we construct a Weighted EPI and show that both indexes perform similarly for U S data To demonstrate the validity of the EPI we conduct a review of U S history from 1790 to 2012 We show that the EPI reflects the major events in U S history including wars periods of economic prosperity and booms along with economic depressions recessions and even panics Furthermore the EPI not only captures official recessions over the past century but also allows for measuring and comparing their relative severity Even though the EPI is simple by its construction we show that its dynamics are similar to those of the Chicago Fed National Activity Index CFNAI and The Conference Board Coincident Economic Index CEI

*The ^AGods of Prophetstown* Adam Jortner, 2011-12-07 Written with profound insight and narrative verve The Gods of Prophetstown recaptures a forgotten turning point in American history in time for the 200th anniversary of the Battle of Tippecanoe Adam Jortner provides a gripping account of the conflict between Tenskwatawa and William Henry Harrison who finally collided in 1811 at a place called Tippecanoe

**Grand Strategy in Theory and Practice** William C. Martel, 2015-01-12 This book explores fundamental

questions about grand strategy as it has evolved across generations and countries It provides an overview of the ancient era of grand strategy and a detailed discussion of its philosophical military and economic foundations in the modern era The author investigates these aspects through the lenses of four approaches those of historians social scientists practitioners and military strategists The main goal is to provide contemporary policy makers and scholars with a historic and analytic framework in which to evaluate and conduct grand strategy By providing greater analytical clarity about grand strategy and describing its nature and its utility for the state this book presents a comprehensive theory on the practice of grand strategy

in order to articulate the United States past present and future purpose and position on the world stage *British Shipping in the Mediterranean during the Napoleonic Wars* Katerina Galani,2017-09-11 In British shipping in the Mediterranean Katerina Galani investigates the impact of the French and Napoleonic wars on British maritime economic activity Due to the close cooperation of the public and private sector at sea the British adopted flexible business strategies to mitigate economic warfare and sustain shipping and trade in the Mediterranean The book offers a comprehensive approach by combining the study of international relations ports ships business organisation deep sea voyages and intra Mediterranean navigation Katerina Galani conceptualises the Mediterranean as an economic entity and she insightfully examines for the first time free traders along with the chartered Levant Company Her analysis draws upon a unique collection of British and Mediterranean sources to construct a multifaceted view of British maritime activity Major Problems in the Early Republic, 1787-1848

Sean Wilentz,1992 Each chapter s documents identify the key issues and capture the passionate spirit and conviction of the historical actors The essay selections spotlight research in the social and cultural history of the early republic *Distant Friends* Norman E. Saul,1991 Drawing upon more than two decades of research in secondary and documentary publications as well as archival materials from the United States the Soviet Union and Britain Saul reveals a wealth of new detail about contacts between the two countries between the American Revolutionary War and the purchase of Alaska in 1867 The Battle for Baltimore, 1814 Joseph W. A. Whitehorne,1997 In this book the author recreates one of the decisive engagements of the War of 1812 the battle for Baltimore in September 1814 He explains how the citizen army that was hastily assembled after the burning of Washington was able to resist successfully a well equipped and experienced British force He describes the campaigns in the Chesapeake Bay that led up to the battle for Baltimore and portrays the social and political conditions in the city that allowed it to muster a fiercely effective defense He also explains the significance of the battle in the War of 1812 and the importance of the war to the future of the young American democracy **America's Military Past** Jack C.

Lane,1980 The author has attempted to collect the major works in the field those that are not only the most interesting but also those that attempt some analysis and evaluation in the process of telling a good story The author has concentrated on works dealing with American land and air forces without including any naval sources Introd *The War of 1812* Dwight La Vern Smith,1985 *America, History and Life* ,1982 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **The British**
